TOSSUPS

1. **Individuals from this community once correctly diagnosed testicular cancer when a male member showed a picture of a positive pregnancy test on which he had urinated. A member of this community once asked fellow members to suggest random foods so he could rate how they tasted with and without rice. As an April Fools joke, this site created a digital (*)** canvas on which members could place individual pixels. Members of this community often invite famous celebrities to answer questions in online Q&A sessions called AMAs, and the mascot of this group is a white impish character who dresses up in costumes. For 10 points, name this website that calls itself "the front page of the internet."
ANSWER: **Reddit**.com

2. **In one portrayal, this character is a former surgeon who finds a new job as a sober companion. In another appearance, this character owns a cellphone that was given to him by his estranged alcoholic sister Harriet. That portrayal of this character also has a psychosomatic limp and tremor in his hand that disappear under stress, suggesting that he misses the thrill of battle rather than being haunted by it. Another version of this character had his honeymoon with (*)** Mary Morstan ruined by the nemesis, James Moriarty, of his companion, though that companion saved both this character and his wife. For 10 points, name this character played by Lucy Liu, Martin Freeman, and Jude Law, the companion of Sherlock Holmes.
ANSWER: Dr. John/Joan **Watson**

3. **Though this band was originally named Sweet Children, they changed their name 2 years after their formation to avoid confusion with another band called Sweet Baby. This band performed 39/Smooth on their first national tour in 1990. This band's frontman famously declared, (*)** "My mission for 2016? To destroy the phrase 'pop-punk' forever." This band famously derived their name from its member's love of cannabis. For 10 points name this band behind such albums as *Dookie*, *Nimrod*, and *Insomniac*, whose songs include "American Idiot," "Holiday," and "Boulevard of Broken Dreams."
ANSWER: Green Day

4. **In 2005, USPS announced a release of this tennis player's commemorative postal stamp, the first stamp ever to feature the cover of a *Sports Illustrated* magazine. In the early 1980s, he is believed to have contracted HIV from a blood transfusion he received during (*)** heart bypass surgery, leading to this man's promotion of AIDS awareness before his death in 1992. This man was also posthumously awarded the Presidential Medal of Freedom by Bill Clinton in 1993. For 10 points, name this American tennis player, the only black man ever to win the singles title at Wimbledon, the US Open, and the Australian Open.
ANSWER: Arthur **Ashe**

5. **During production of this movie, the actress playing the main antagonist sustained severe burns due to a faulty trapdoor during a stunt, resulting in her 6 week absence from the set. This movie has been said to be an allegory for the American Gilded Age. During post-production, the studio making this film considered cutting what would become one of its most famous songs. That studio, (*)** MGM, famously departed from the source book in order to make full use of new Technicolor technology, changing the color of the protagonist's footwear from silver to ruby red. For 10 points, name this 1939 classic movie based on an L. Frank Baum book, in which Judy Garland sings "Somewhere Over the Rainbow."
ANSWER: ***The Wizard of Oz***

6. **This man created a world run by a president named Chris which exists within a small, battery-like object. This character was dumped by a romantic partner, as he was better at what that partner did without even trying. This character's catchphrase translates to (*)** "I am in great pain, please help me." This character escaped a maximum security prison, in part, by trapping an enemy's consciousness inside of a Shoney's in his cerebellum. In one episode, this character states that killing bureaucrats was the same as killing robots because he does not respect them. For 10 points, name this character who takes his grandson on sci-fi adventures in one of the greatest animated series of all time.
ANSWER: **Rick Sanchez** [or **Richard Sanchez** or **Dick Sanchez**; prompt on **Sanchez**]

7. **The day before the re-election of Chen Shui-bian as the president of Taiwan was marred by an alleged one of these events. The official view in Cuba is that the explosion of the USS *Maine* was also one of these operations. Another of these events was so small that the train running on the allegedly damaged tracks was not even affected, but the (*)** Mukden incident still provided pretext for Japan to invade Manchuria. Debunked claims have been made that 9/11 was actually this type of event as a similar pretext for invading Afghanistan and/or Iraq, while the Sandy Hook shootings have also been labeled as this type of operation for suppressing gun rights. For 10 points, name this type of covert operation where the perpetrator makes it seem like the job was carried out by a different party.
ANSWER: **false flag** operation

8. **In back-to-back weeks, Melvin Gordon and Samaje Perine broke the NCAA FBS record for most rushing yards in a single game, formerly set by this man with 406 yards against UTEP during his junior season at TCU. This man was in the same draft class as Michael Vick, and the Chargers traded away the number one pick to the Atlanta Falcons to select this player (*)** 5th overall in the 2001 NFL draft. Upon his retirement in June 2012, his jersey number 21 was retired by the Chargers. For 10 points, name this former NFL running back who was inducted into the Pro Football Hall of Fame in August 2017, often referred to by his initials, L. T.
ANSWER: **LaDainian Tomlinson** [prompt on **L.T.** before mention]

9. T**he first host of this game show, which premiered on July 12, 1976, was Richard Dawson. A bulls-eye version of this game was introduced in 1992, extending the airtime from 30 minutes to 60 minutes. This game has been repeatedly satirized by *Saturday Night Live*, notably involving Justin Timberlake and Jimmy Fallon acting as each other in an (*)** NBC v. CBS matchup. In the final round of this show, Fast Money, two members of the winning five person team compete against the clock to earn 200 points, winning $20,000 in the current iteration of this game. For 10 points, name this game show, hosted by Steve Harvey, which often includes the line "survey says!"
ANSWER: ***Family Feud***

10. **In a 1928 song written by Cole Porter for the musical *Paris*, this phrase is equated to falling in love, as it is found that this phrase applies to educated fleas, the Dutch in old Amsterdam, and oysters down in Oyster Bay.
