TOSSUPS

1. **The last song recorded by all of the members of this band is titled "The End." In the span of seven years this band recorded twelve studio albums and provided the soundtrack for four films. This band performed for two years in converted strip clubs in Hamburg. This band was rejected by Decca Records with the comment, (*)** "Guitar groups are on their way out, Mr. Epstein." This band primarily recorded rock music; however, they also experimented with other genres such as classical, psychedelia, blues, folk, heavy metal, and avant-garde. The informal fifth member of this band is often attributed to producer George Martin. For 10 points, name this band whose " Fab Four" lineup led the "British Invasion" and became the best-selling band of all time.
ANSWER: The **Beatles**

2. **A protagonist and his enemy-turned-ally learn the truth about dealing with this thing and how to maintain it when they visit Ran and Shaw in a show whose third season is titled for this thing. The protagonist of a certain Pixar film shows off his collection of items that create this substance to his love interest early in the film; that character later uses an item that counters this substance to (*)** propel himself through outer space. The discovery that the titular creatures are not immune to this substance from the inside helps Hiccup in his climactic battle with the Red Death in *How to Train Your Dragon*. For 10 points, name this element of Zuko, the last of the four elements that Aang masters in *Avatar: The Last Airbender*.
ANSWER: **fire**

3. **This player was seriously considering an offer to represent Australia, his country of birth, at the London Olympic Games, but ended up representing the United States. In June 2017, he starred in an episode of the Houzz series *My Houzz*, and will star in an "Uncle Drew" film. Despite suffering a ligament injury that resulted in him only playing nine games at (*)** Duke, this player was the number 1 pick of the 2011 NBA draft. This player stated in a podcast interview that "This is not even a conspiracy theory.... The Earth is flat," even encouraging people to do their own research. Name this gifted offensive point guard, who was recently traded to the Celtics in a deal where the Cavaliers received Isaiah Thomas.
ANSWER: Kyrie **Irving**

4. **This man who has only directed two films, stated that he has been influenced by the films *The Guns of Navarone* and *Citizen Kane,* and the actors James Dean and Marlon Brando. His obsession with James Dean was so intense that he frequented a Los Angeles restaurant owned by a former acquaintance of Dean. Several lines of dialogue in his breakout film, including the cry, (*)** "You are tearing me apart, Lisa!", were based on lines from *Rebel Without a Cause*. This person directed, produced, wrote, and starred in his first film, which has been described by critics as "one of the worst movies ever made." For 10 points, name this director of *The Room* who is the subject of the upcoming Franco-Rogen film *The Disaster Artist*.
ANSWER: Tommy **Wiseau**

5. **The first player to accomplish this feat in the modern era is Lou Gehrig, who did this in 1932. Rarer than a perfect game, this single-game baseball feat has only been done 17 times in the history of the sport. The most recent player to accomplish this feat put his first name of "Ryan" on the back of his jersey as his nickname. Surprisingly, players who have never accomplished this feat include (*)** Barry Bonds, Babe Ruth, and Hank Aaron. For 10 points, name this single game hitting accomplishment in which a batter achieves sixteen total bases in four at bats, most recently done by J.D. Martinez.
ANSWER: **four home runs** in one **game** [accept clear-knowledge equivalents]

6. **Though the first season of this show was released in fall 2016, the second season will not premiere until 2018, partially because of the involvement of this show's star and producer with the still-untitled Han Solo film in the Star Wars Anthology as Lando Calrissian. That star and producer of this show became the first African-American to win Outstanding Directing for a Comedy Series at the 2017 Emmys; he also won Outstanding Lead Actor in a Comedy Series. Migos guest-starred in one episode of this series, while a (*)** black Justin Bieber was a foil for the protagonist of this series in another episode. For 10 points, name this FX TV series about an aspiring rapper and his cousin in the titular city, both starring and produced by Donald Glover.
ANSWER: ***Atlanta***

7. **This man has said that he wants to die on Mars, just not on impact. This man had a cameo in *Iron Man 2* discussing business ideas with Tony Stark and Pepper Potts. After a discussion with Mark Zuckerberg, this man dismissed Zuckerberg's understanding of the dangers artificial intelligence as "limited," but has nevertheless funded a company to research brain-computer interfaces called (*)** Neuralink. A company founded by this man was the first to reuse an orbital rocket with the Falcon 9, and the first private company to send a spacecraft to the International Space Station. For 10 points, name this real-life Iron Man, the founder of Tesla, SpaceX, and a predecessor to PayPal.
ANSWER: Elon **Musk**

8. **In one of these events, Queen Latifah played the titular character, while Mary J. Blige played Evillene. Vanessa Hudgens and Julianne Hough starred as Betty Rizzo and Sandy Young in another of these events. The lead in the first of these events was praised for her singing but criticized for her acting, even though that lead, Carrie Underwood, had been endorsed by an iconic portrayer of the role of (*)** Maria von Trapp in a film adaptation, Julie Andrews. For 10 points, name this type of special event, borrowed from Broadway for broadcasting, examples of which include *The Wiz Live!, Grease: Live,* and *The Sound of Music Live!*
ANSWER: **live TV adaptations** of **musicals** [accept clear-knowledge equivalents]

9. **Despite the fact that the runtime is a mere hour, production of this competitive television show is said to take 16 hours of filming. This show's title sequence includes a cleaver moving across the name of the show. Competitors in this show are required to use four random (*)** secret ingredients in each round, contained within the Mystery Basket. Chefs on this show are required to cook a three course meal, with one chef being eliminated after each round. This show's special seasons include "Champions," "Grill Masters," and "All-Stars." For 10 points, Ted Allen hosts what cooking game show on the Food Network, which has a name that is synonymous with an action performed by a knife?
ANSWER: ***Chopped***

10. **A unique one of these was named Mister Bones and was outfitted with real human bones. An intelligent one of these named Kalani was wanted to stage "one final battle" to determine if he was superior to his opponents. Three of these were reprogrammed in order to help break into a prison known as The Citadel. These things were employed by the Commerce Guild, Banking Clan, and Trade Federation, before the formation of the (*)** Separatist Alliance. The "super" variant of these were sometimes outfitted with rocket launchers. During the Clone Wars, clone troopers fought against, for 10 points, what robotic soldiers which often lacked intelligence and were known for saying "Roger roger"?
ANSWER: **battle droids** [accept **B1 battle droids**, **B2 battle droids**, **super battle droids**, **tactical droids**, **super tactical droids**, **commando droids**, **Separatist droids** before mentioned, and other variants, prompt on **droids**]

11. **In *Night at the Museum 2*, Larry mentions to Kahmunrah that this device can turn people to dust. A man on a bench with this device is arrested in the third season of *Law & Order*, and in 1981, The Barron Knights released a song about a person going crazy after using this device, in their album *Twisting the Knights Away*. This device gained national attention with the release of (*)** *Pursuit of Happyness*, in which Will Smith correctly configures this device in the back seat of a car. This device can take on 43 quintillion different arrangements, and a five-fold version of this thing is known as the "Professor's." For 10 points, name this toy with six colors which only a handful of people in the world can solve in under five seconds.
ANSWER: **Rubik's Cube**

12. **This 1992 Tony-winner for best book of a musical is a combination of two separate one-act Off-Broadway shows. The 2016 revival of this musical received 5 Tony nominations and was recorded to be shown in theaters during the summer of 2017. This musical follows (*)** Marvin, his ex-wife, lover, son, psychiatrist and neighbors as they try to live a normal life as a nontraditional family. The musical is considered a comedy, even though the plot is set at the dawn of the AIDS epidemic. For 10 points, name this musical starring Christian Borle and Andrew Rannells whose name also refers to singing in a vocal register higher than that of normal speech.
ANSWER: ***Falsettos***

13. **A man who wore this number scored the game-winning goal in overtime to win the 2010 Stanley Cup but was the only one to initially celebrate, as his teammates weren't sure if his angled shot had actually gone in. This number also gives the total number of counties in Ohio. This is the number of days it takes Mercury to orbit the Sun once, rounded to the nearest day, and it is recognized by the International Astronomical Union as the number of modern constellations. This number is the speed in miles per hour that Emmett (*)** "Doc" Brown tells Marty McFly is necessary for the DeLorean to time travel in *Back to the Future.* For 10 points, give this number worn by Chicago Blackhawks forward Patrick Kane, the number of keys on a piano.
ANSWER: **88**

14. **This game was featured the 100th episode of *The Big Bang Theory*, in which Sheldon aims to acquire "wood" so he can "begin the erection of [his] settlement". This game was first released in 1995 by Klaus Teuber. If a 7 is rolled in this game, the player must discard half, rounded up. The goal of this game is to obtain 10 (*)** victory points by using resources to construct roads, settlements, and cities. On each player's turn, two dice are rolled to determine which hexes produce resources. Players with a settlement adjacent to a hex containing the number rolled receive two resources. For 10 points, name this popular tabletop game in which players assume the roles of settlers on a titular island.
ANSWER: **Settlers** of **Catan**

15. **A song from *E.P.I.C*, or *Every Play Is Crucial*, with this title accompanied the *Crysis 2* launch trailer and was by B.o.B. The chorus in that song with this phrase, sung by Alicia Keys, is borrowed from a more famous song with the same title, originally written for and performed by Liza Minnelli in a Martin Scorsese film with this same title. Grandmaster Flash and the Furious Five follow this four-word phrase with "big city of dreams" in a song with the same title. Frank (*)** Sinatra helped popularize the aforementioned Minnelli song with this title and the lyrics, "start spreading the news, I'm leaving today. I want to be a part of it--". For 10 points, name this phrase, a repeat of two words that someone in Queens might use to describe the city and state of their address.
ANSWER: **New York, New York** [prompt on **New York** before "four-word phrase"]

16. **This song is in the key of D major, uses a typical four-chord progression, and opens with a B minor flourish on a cuatro. One singer of this song filled in forgotten lyrics with food items and gibberish, even though he had pushed for a remix after seeing a crowd in Colombia react to this song. Another singer of this song is known as the "King of Reggaeton" for hits like "Gasolina" and is (*)** Daddy Yankee. He and Luis Fonsi appear in Old San Juan, Puerto Rico in the official music video, which was the first to surpass 3 billion views on YouTube. For 10 points, name this song whose name in Spanish means "slowly" and according to Justin Bieber, rhymes with Dorito and burrito, the first primarily in Spanish to top the *Billboard* Hot 100 in over 20 years.
ANSWER: "**Despacito**"

17. **This man competed in the 23rd season of the television show *Dancing with the Stars* with professional dancer Lindsay Arnold and finished in third place. In 2013, this man funded a pro-abstinence film titled "Real Love." This man tied or broke nine NFL records during his playing career as well as nine franchise records. A two-time All-American at Georgia Tech, this man was selected second overall in the 2007 NFL Draft by the (*)** Detroit Lions, the team he played his whole career with. For 10 points, name this wide receiver who shockingly retired following the 2015 season and was known by the nickname "Megatron."
ANSWER: **Calvin Johnson**

18. **This song's music video begins with a saxophone, and it features the characters Bobby, Tobby, and Flobby in addition to the central character who at one point dresses up as an old lady. Over $100,000 in GoFundMe donations were sent to this song's lead singer, Stefán Karl Stafánsson, after it was announced that he was diagnosed with (*)** cancer. The main character attempts to defeat his adversary by using a fake apple, banana peels, and a net, while teaching his companions how to be "real villains." This song appeared in the 2014 television episode "Robbie's Dream Team" of the series *Lazy Town*. For 10 points, what song sung by Robbie Rotten became a hugely popular meme, leading to many humorous remixes in late 2016?
ANSWER: "**We Are Number One**"

19. **The most powerful weapon in this game is called the AM-W, and a headshot in this game can kill through level 3 helmets. Upon winning a match in this game, the phrase "Winner Winner Chicken Dinner" is displayed. Unusually for a multiplayer shooter, there is only (*)** one map, which is named Erangel. Players in this game must avoid hazards like the blue walls and red zones as well as other players. This game is named for its creator's online handle, and it originated as a mod of DayZ. For 10 points, name this PC game in which 100 players compete to be the last one alive.
ANSWER: ***PLAYERUNKNOWN'S BATTLEGROUNDS*** [prompt on ***PUBG***]

20. **2015 users of this social media platform prevented a suicide attempt at the College of William and Mary. This social media app included features such as "peek," which allowed users to view posts in other areas outside the default** (*) 5 mile radius. The creators of this social media app made various changes such as requiring the use of username handles to reduce the amount of cyberbullying, which caused a dramatic decrease in the number of active users. For 10 points, name this social media platform that was popular within college campuses for its potential for unfiltered gossip and was shut down in May 2017.
ANSWER: **Yik Yak**

[TIE-BREAKER]: **The sister channel to MBC 3 is designated by this number, is broadcast by the Mauritius Broadcasting Corporation, and shows live football matches along with horse racing. NBA players with this jersey number include Boston's Evan Turner and the Golden State Warriors' shooting guard, Klay Thompson.
