

The second annual AD HOC II

The Wrath of Khon

April 27, 1997

Rd 5 by Khon Lien

Toss-ups

1. This sculptor was responsible for the statue of Athena in the Parthenon, the Athena in the Acropolis and the statue of Zeus in the Temple at Olympia. He also contributed to the relief sculpture on the Parthenon. FTP, name this Greek Sculptor whose best friend and patron was Pericles.

\_Phidias\_

2. This novelist was a pamphleteer, journalist, and political agent. He was the son of a London tallow-chandler. He wrote Journal of the Plague Year, The True-Born Englishman and The Shortest Way with the Dissenters. FTP, name this author of Moll Flanders.

\_Defoe\_

3. I Come Off, Principals Office, Bust A Move, Non-Stop Fastest Rhyme, Know How, and Roll with the Punches are some of the songs by this musical group. Their better known song is Stone Cold Buggin. FTP, name this musical group who released Stone Cold Rhymin.

\_Young MC\_

4. Nikolai Volkoff's wife suffered from this disease. It is a cancer of the lymph nodes. Thus the lymph nodes cannot function correctly. People with this disease have histocompatibility antigens which means that the cells are attacking themselves. FTP, name this disease which Mario Lemieux has.

\_Hodgkins disease\_

5. This North American Indian Tribe once inhabited Georgia and Alabama. During Colonial times, they fought alongside English settlers in wars against the Spanish and Apache. In 1813, this tribe was stirred up by Tecumseh and began a war that massacred 500 Americans at Fort Mims. FTP, name this Indian Tribe who were defeated by Andrew Jackson at the Battle of Horseshoe Bend.

\_Creeks\_

6. This German poet and dramatist was born in Augsburg in 1898. He wrote The Life of Galileo and Mother Courage and her Children. He also wrote two Chinese parables, The Caucasian Chalk Circle, and The Good Woman of Setzuan. FTP, name this writer of the Three Penny Opera.

\_Brecht\_

7. European traders appeared in this country in the 16th century. Britain established control in 1867. It was created in Sept 16, 1963 and included with it Singapore, Sabah, and Sarawak. Its currency is the Ringgit and its major industries are rubber goods, steel, and electronics.

FTP, name this country with capital at Kuala Lumpur.

Malaysia

8.This chemist was born in Weymouth, Massachusetts. He studied at Nebraska University, Harvard, and in Germany before taking a post as government chemist in the Philippines. He taught at MIT from 1905 to 1912, then moved to California University from 1912 to 1945. FTP, name this chemist whose theory of acids and bases states that acids accept protons and bases donate protons.

Lewis

9.This British Statesman was born near Bury, Lancashire. He studied at Oxford and became a Tory MP in 1809. In 1812, he was made secretary for Ireland. His second prime ministry concentrated on economic reforms, but his decision to phase out agricultural protection by repealing the corn laws split his party and precipitated his resignation. FTP, name this anti-Catholic prime minister who was attacked by O'Connell with a certain orange nickname.

Peel

10.This work takes place in a drawing room. A man and two women who have died are escorted into this room. They discover that hell is other people. When the door is finally opened, they find that they are inseparable and cannot leave. FTP, name this play by Jean-Paul Sartre.

No Exit

11.This hormone is produced by the zona glomerulosa of the adrenal cortex. It is a mineralocorticoid that regulates ion balance in the kidneys via water retention in the distal convoluted tubule in the nephron. FTP, name this steroid that reabsorbs sodium and excretes potassium and phosphorus.

Aldosterone

12.Known as the Gileadite, this judge of Israel's story is told in Judges 11. His father was Gilead and his mother was a harlot. He was thrown out of his house by his half siblings because of his illegitimacy. When Israel was threatened by the Ammonites, the elders of Gilead sought out this person to be their captain. FTP, name this judge who later had to sacrifice his daughter.

Jephthah

13.This philosopher offered himself as a liberal candidate in 1907, but was turned down because of his free thinking. Since 1907, he has served six months in prison, became a professor at Peking, and with his wife started a progressive school near Petersfield. He wrote An Inquiry into Meaning and Truth, but is better known for his Human Knowledge. FTP, name this philosopher who wrote Principia Mathematica: with A.N. Whitehead.

Bertrand Russell

14. This legislation attempted to rework the Missouri Compromise. It wanted to continue the fugitive laws, uphold popular sovereignty in new territories, and sanction slavery in the District of Columbia. FTP, name this measure that tried to avert the U.S. Civil War but was defeated in the Senate by one vote in 1861.

\_Crittenden Compromise\_

15. This novelist's first voyage to Liverpool later became the background for his fourth novel, *Redburn*. He later published the travel memoirs of his excursion with the Typees in his *Typees: A peep at Polynesian Life*. His adventures continue in *Moo*. He is also well known for *White Jacket* and *The Piazza Tales*. FTP, name this writer of *Bartleby the Scrivener*.

\_Melville\_

16. This actress was the daughter of a headache specialist. She almost followed in her father's footsteps by graduating from Vassar College with a B.S. in Biology, but was convinced by Jon Lovitz to audition for the comedy troupe the Groundlings. It was during this time that she began to date Conan O'Brien. Unfortunately that relationship did not last. Her acting career also had a rough start as well because she was cast as Roz Doyle on *Frazier* but was replaced before the pilot. She finally succeeded by having a recurring role as a waitress in the show, *Mad About You*. FTP, name the actress who plays the twin sister of Ursula Buffay.

Lisa Kudrow

17. These large scale seasonal changes from differential heating of the land and ocean are most obvious in the Northern Indian Ocean. In summer, in southeast Asia, the warm land causes air to rise over the continent. These vertical air motions draw cooler moisture laden air from the ocean to replace the rising air. FTP, name these weather phenomena that result in heavy rains that help the rice crops in India and China.

\_Monsoons\_

18. This war started when Philip IV of Spain failed to pay a dowry for Marie Therese to French King Louis XIV. Louis XIV claimed the Spanish Netherlands as the dowry. The Netherlands organized the Triple Alliance in 1668 and forced Louis XIV's armies to retire by the Treaty of Aix-La-Chapelle. FTP, name this war named after an old law.

\_War of Devolution\_

19. This composer was trained at the Petrograd Conservatory with Glazunov and others. He is best known for his symphonies, a number of which are directly related to major events in Soviet history. He also produced orchestrations of Mussorgsky's *Khovanshina*, Boris Gudonov, and *Songs and Dances of Death*. FTP, name this composer of the operas, *Lady Macbeth of Mtsensk*, *Katerina Ismailova*, and *The Nose*.

\_Shostakovich\_

20. This god who shares his name with the monkey in the Babar stories was the son of Eos and the father of Xanthus and Bailus who were the horses of Achilles in the Trojan War. His brother, Boreas, caused the death of the beautiful Hyacinth out of jealousy of Hyacinth's love for Apollo. FTP, name this god of the West wind of Greek mythology.

\_Zephyr\_

21. This river's source or upper limit of length is at the junction of the French Broad and Holston Rivers. It is about 652 miles and outflows into the Ohio River. It flows through five states. FTP, name this river that is named after the Volunteer State.

\_Tennessee River\_

22. Peter Sellers came up with this title as an operative subject. Sellers and two collaborators agreed that the opera should be heroic and in no sense a satire. It includes such characters as Chou En-Lai and Henry Kissinger. FTP, name this opera by John Adams.

\_Nixon in China\_

23. This biblical prophet was called to prophecy at an early age. His book contains many autobiographical sections, as well as, descriptions of Jerusalem during the time of the fall of that city to the Babylonians. FTP, name this prophet whose book promises the restoration of Israel and a new covenant with its people.

\_Jeremiah\_
