Bonus 12

Part A

Bonus 13

Part A

Bonus 14

Part A

The important thing to get here is the father holding swords, with the sons (preferably three, but of course make exceptions for shorthanded teams) saluting on the left.

Part B

The most important thing here is the position of the head and arms.

Part C

This is the easy part; all you need is two people with stern expressions standing side-by-side. Holding a pitch fork or substitute is a bonus.

Bonus 20

Part A
