

2023 gamerboy80 pack

My brain is wired a little weird so I somehow always make things related to gamerboy80 and I was getting sick and tired of it so I wrote a silly little pack representing my thought processes. The questions aren't always directly related to gamerboy80, but he's in at least one of the lines for each question.

Please subscribe to gamerboy80: <https://www.youtube.com/gamerboy80>

In Chazm's 2021 meetup vlog, Gamerboy80 caught a shiny version of this Pokémon while playing Pokémon Go in his car. The shiny variant of this Pokémon has a gray body and white tips on its ears. This Pokémon was introduced to the series in Generation 6 and has the abilities Pickup and Cheek Pouch. One Pokédex entry of this Pokémon states that "they use their large ears to dig burrows. They will dig the whole night through". For 10 points, name this normal type Pokémon which looks like a bunny that can evolve into Diggersby.

ANSWER: **Bunnelby**

TU2

Ranboo and Sneegsnag dressed up as this character for the 21st Minecraft Championship. In a stream playing one of the games that this character is featured in, Chazm repeatedly claimed that he was the one playing that character, when in reality gamerboy80 was the one controlling it. In that same game, this character has the special ability of being able to hover for a bit, giving the player a better chance to avoid death. Anya-Taylor Joy will be voicing this character in the upcoming Super Mario Movie. For 10 points, name Mario's love interest with the same name as the fruit Timothée Chalamet gave a little bit too much love to in *Call Me By Your Name*.

ANSWER: Princess **Peach**

Description Acceptable. In gamerboy80's All Advancements stream series with Chazm, this was the last type of cat that Chazm needed to tame in order to get the achievement "A Complete Catalogue". Immediately after Chazm completed that achievement, gamerboy80 slaughtered this type of cat. Jschlatt also has this kind of cat, named Jambo, which he rescued in May of 2021. Our favourite lasagna-loving cat who hates Mondays is this kind of cat. For 10 points, name this type of cat found in Minecraft named after the warm colour of its fur.

ANSWER: accept answers similar to or with terms like **orange** cat or **red** cat (I know, that's what they're actually called in Minecraft when they are CLEARLY not red..)

While reading his Twitch chat, gamerboy80 mistook this person to be Pablo Picasso due to their similar initials. In an interview, this person pulled out his iPad and began playing the game "Tilt to Live". After his mother's passing, this person changed his last name as a tribute to her. In another interview, this person thought that Oscar Isaac looked like the "grumpy eagle" from the Muppets. A reaction meme with this person has him quickly transitioning from hysterical laughter to sobbing in a slightly bad quality video. For 10 points, name the actor that portrays Din Djarin in *The Mandalorian* and more recently Joel in *The Last of Us* TV show.

ANSWER: Pedro **Pascal**

Please don't judge, but I'm pretty sure gamerboy80 has a crush on this Pokémon. While trying to defend himself, gamerboy80 stated that "[this Pokémon] was designed to be mommy. The Pokémon company knew what they were doing when they were designing [this Pokémon]". Abilities that this Pokémon has includes Cute Charm and Klutz. A shiny version of this Pokémon has some of its parts turn pink, while the rest of its body stays the same shade of brown. This Pokémon was introduced in Generation 4, and one entry of it in the Pokédex states that "the ears appear to be delicate. If they are touched roughly, it kicks with its graceful legs". For 10 points, name this normal type Pokémon that is a bipedal bunny which is an evolution of Buneary.

ANSWER: **Lopunny**

Near the end of one of gamerboy80's Twitch streams, a user with a name similar to this word gifted a subscription to someone, resulting in the entire chat asking him who gifted the subscription. Gamerboy80 proceeded to horribly mispronounce the name in order to avoid saying this word. In gamerboy80's Twitch chat, when sending a message with this word in it, Nightbot will repeat the word back. The last evolution of the grass-type starter from Pokémon Scarlet / Violet contains this word.

Gamerboy80 is allergic to the animal that makes this noise, which he compensates for by sending lots of gifs of that animal. For 10 points, what noise does a cat make?

ANSWER: Meow

TU7

The last optional challenge from this game requires the player to not take any damage. That challenge is called “Can’t Touch This”. An achievement that can be completed in this game, labelled “Pointless Challenge” is completed when a player wins a game without killing anyone with a sword. The map Solace in this game, gamerboy80’s favourite map, has a sapling in the middle that can sometimes grow into a tree if the game goes on for enough time. The different prestige colours in this game consist of silver, gold, diamond, and emerald, and they continue to change every hundred levels. Technoblade, rest in peace, achieved a win streak of over 1000 in this game. For 10 points, name this game on Hypixel that gamerboy80 was the first to reach 1000 stars and 100,000 final kills in.

ANSWER: Bedwars

TU8

When asked if he watched this show, gamerboy80 replied “any baddies?”. A car that is blown up in this show has the custom license plate KEN WINS. The person who owned that car was also seen in a spin-off show from this series and got scammed. Another character in this show requests for some more Stevia to sweeten her drink, which ends up being the cause of her offscreen death. A pizza is thrown onto the roof in anger by a character in this show, and the lack of cuts in the pizza is explained at a party where another character says that the pizza is slightly cheaper because they don’t cut the slices for you. For 10 points, my name is Walter Hartwell White. I live at 308 Negra Arroyo Lane, Albuquerque, New Mexico, is a line from what show?

ANSWER: Breaking Bad

This company was the first American franchise to open in Haiti and the second to open in the Dominican Republic. In June 2018, this company began repairing potholes around America so that its goods wouldn’t be damaged in transit. If I’m gonna be honest, when looking up photos of this company, I thought the lava cakes sold at this company were just really burnt pizzas so I was really concerned that photos of them kept showing up, like dang, how are so many stores burning pizzas until they look like charcoal? But no, they’re just lava cakes. The dots in the logo originally represented the amount of restaurants under the company, and the owner wanted to add another dot for each new restaurant, but that idea quickly faded as they experienced rapid growth. For 10 points, gamerboy80 is a manager at what popular pizza chain with a red, blue, and white logo?

ANSWER: Domino’s

TU10

The first documented time that gamerboy80 used this acronym was when he asked Chazm in their Skyblock series if they wanted to “ride a pig, [this acronym]”. After Chazm’s audible confusion about the acronym, gamerboy80 said in retaliation, “you don’t know the lingo?”, even though literally no one uses this acronym. This acronym has become a meme in gamerboy80’s fanbase, where people, including myself, have started using it unironically because hey, maybe gamerboy80 was right and it’s actually a useful acronym. This phrase is also a category in Sporcle, containing quizzes like typing every number from 1 to 100. For 10 points, name the acronym that comes from the phrase “just for fun”.

ANSWER: **JFF**

TU11

Author’s note: please read out the sad face in the second line, it’s very important.

After falling to his death in this place in his All Advancements series, gamerboy80 made a waypoint titled “[this place] where I died :(”. In order to find multiple of these places, the user needs to travel north or south or diagonally. These places naturally generate on outer islands in midlands or highlands biomes. A part of this place sometimes has a really annoying spiral parkour that the player has to complete and sometimes you hit your head on a block above you and you fall to your death and it really sucks. There’s a 50% chance a bridge will spawn with this structure, and the bridge has a 12.5% chance of spawning in a ship that contains an elytra and also a dragon head at the front. For 10 points, name this place in Minecraft where players can find shulkers in its tower-like structures.

ANSWER: **End City**

TU12

In a rare interaction with this person, gamerboy80 replied to his tweet saying “it’s too late the people have spoken”. When they were younger, this person didn’t feel like going to school so they went back home and fell asleep in their family’s garden and he was quickly caught by his father. This person met one of their best friends by asking in a game chat if someone wanted to add him on Skype to type 123 in the chat. When participating in Mr. Beast’s \$300,000 trivia tournament, this person thought that there were 39 Pokémon, which gamerboy80 later reacted to, saying that it was “finally a good reason to cancel someone” and that if this person’s channel exploded because of it, then gamerboy80 would go to sleep smiling. For 10 points, name this person who wears a mask with a smile for hours at a time, and is known for his namesake SMP.

ANSWER: **Dream**

TU13

Gamerboy80 tweeted a video featuring this person and said “uh excuse me only i can have a name with gamer and numbers in my name i will be contacting my lawyers immediately”. In one of the many songs that this person created, he states “Steve Buscemi, I want some spaghetti”. That video was the 111th episode of an ongoing series on his channel, and the concept idea for that series was taken and used by PewDiePie. That resulted in PewDiePie’s fans believing that this YouTuber stole the idea, when in reality the opposite was true. In another one of this person’s songs, he states “has a love for weird guitars, Alexander Mandolin”. This person is the owner of three American Eskimo dogs which are all named different kinds of ice cream. For 10 points, name this person who was the creator of YIAY, a series in which the author was featured in on episode 410.

ANSWER: Jack/John **Douglass** OR **Jacksfilms**

TU14

Around a certain holiday, gamerboy80 is known for blowing up these things because “the viewers love it”. This item has a 14.4% chance of spawning in a chest in a shipwreck. Wandering traders can also sell this item for 1 emerald. Gamerboy80 attempted to prank Chazm once by putting Curse of Binding on one of these things and putting it in a dispenser, but it didn’t end up working, which caused gamerboy80 to activate the trap himself and get this item stuck on his head. Players can maintain eye contact with an enderman without dying while wearing one of these items. For 10 points, name this fruit that people like to carve at Halloween.

ANSWER: **Pumpkin(s)**

TU15

The world headquarters of this company are surrounded by the city of Beaverton, Oregon. This company was originally known as Blue Ribbon Sports and was founded by a University of Oregon track athlete and his coach. The inspiration for how this company made their shoes was when one of the founders saw his wife make them from a waffle iron. That design led to the introduction of the “Moon Shoe” because the waffle tread was said to resemble the footprints left by astronauts on the moon. This company is known for creating different kinds of athletic shoes and apparel, and has a very simplistic logo. For 10 points, name this brand that gamerboy80 frequently wears in his videos and has the catchphrase “Just Do It”.

ANSWER: **Nike**

TU17

While playing this game, gamerboy80 got jumpscared by the loud noise made by fixing the shower head, saying that it was the “scariest thing he’s ever experienced in his entire life”. In that same game, while expressing the location of another player, people exclaimed “the WHAT pit?!”. While playing this game, gamerboy80 frequently reassured himself and his chat that he was “the most [this game] player”. Another task in this game is to find a strong connection to upload data by moving a device around the screen to fill up the progress bar. Words that have been ruined by this game include suspicious and imposter. For 10 points, which game rose to popularity during the COVID-19 pandemic that was created by Innersloth?

ANSWER: Among Us

TU18

In 2000, this first name was the second most popular in Australia. In an interview, a person with this first name claimed that he felt like he was playing werewolf whenever a certain subject got brought up. That actor was, in fact, “the werewolf”. That same person with this first name had to pretend that he knew how to play the piano, but claimed that he couldn’t actually learn because as people get older, they become crusty old sponges. This first name comes from a Greek word meaning manly, brave, and warrior. A person with this first name has the same last name as our favourite lasagna loving cat who hates Mondays. For 10 points, what is gamerboy80’s first name?

ANSWER: Andrew

TU19

This is gamerboy80’s favourite map to play on in Mario Kart 8. Taking a sharp left turn at the end of this track is a useful shortcut. In Mario Kart 8, this map’s music consists of a funky saxophone playing over an upbeat bass. After the first boost pad, players must bounce on top of a large red flower to land on a path near some waterfalls. Tiki Goons are the enemies on this track, where in Mario Kart 8 their movement speed was significantly reduced. Through the gliding section on this track, there are Screaming Pillars that exhale smoke. For 10 points, name this Mario Kart track named after a monkey that throws barrels and a biome in Minecraft that you can find Pandas in.

ANSWER: DK Jungle (accept Donkey Kong Jungle)
