Terrapin Invitational Tournament

Questions by JMU I, with lots o'help from Lauren Kucner and John Nam

Tossups

- T1. This term primarily refers to the free, exuberant style of architecture of the late 16th to early 18th centuries, but also applies to painting, music, sculpture, and literature. FTP, name this term.

Baroque ✓

- T2. The women of London would have been ill-advised if told to walk alone at night in the White Chapel section in 1888. A serial killer stalked the streets, one who brutally murdered five prostitutes. Name this mysterious killer, the subject of a recent television movie.

Jack the Ripper ✓

- T3. Congratulations! Your team has just won the College Bowl Nationals! Your prize is an all-expense paid African safari. If you trek east through Ethiopia and wander into the horn of Africa, in what country would you find yourself?

Somalia ✓

- T4. Petey from the Little Rascals and Spuds Mackenzie, the Bud Light mascot, met for a romantic evening at the Kennel Club. One thing led to another, and Spuds brought forth a beautiful litter of, for 10 points, what breed of dog?

Pit bull ✓

- T5. Reebok would never ask this woman runner to represent their cross-training shoes, because she runs barefoot. Name this South African, who caused controversy in the 1984 Olympics when she tangled up with Mary Decker.

Zola Budd ✓

- T6. You might think that Mount Vesuvius and Mauna Loa are pretty impressive, but they don't hold a candle to what Martian volcano, the largest in our Solar System?

Olympus Mons ✓

- T7. ^{TWO ANSWERS NEEDED.} Most actors would be more than happy to take home a golden statue from an Academy Awards ceremony. In the long history of the Oscars, however, two men have refused this award for Best Actor, one for his role in Patton, the other for his part in The Godfather. FTP, name both.

George C. Scott
Marlon Brando ✓

- T8. Sherlock Holmes lived at 221B Baker Street and Batman lived at stately Wayne Manor, but who, FTP, made their residence at 1313 Mockingbird Lane?

The Munsters ✓

T9. This novel portrays the childhood, school days, adolescence, and early manhood of Stephen Dedalus, an Irish man who has to deal with his nationality and Catholicism. FTP, name this James Joyce novel.

A Portrait of the Artist as a Young Man

T10. Several missing chapters of a book in the Bible were recently discovered in an Egyptian tomb. FTP, name this book, many of whose 150 hymns were attributed to David.

Psalms

T11. The Brady Bunch was television's version of the All-American family. Mike and Carol, besides having six wonderful kids, also had a great dog; FTP, name him.

Tiger

T12. It was named for the British midshipman who first sighted it while aboard H.M.S. Swallow and was the final stop for the mutinous crew of H.M.S. Bounty. Name this Pacific island immortalized by Nordhoff and Hall.

Pitcairn Island

T13. Aspirin is given to people with minor problems. Some vets even give it to animal patients, but animals such as Fritz, Felix and Bill would be poisoned if they digested it. FTP, name the animal.

cat

T14. This Gilded Age president had his jaw removed to take out several tumors in his mouth. Fortunately, this did not prevent his presence at the dedication of the Statue of Liberty. FTP, name this President, the only one elected to non-consecutive terms of office.

Grover Cleveland

T15. Kevin Mitchell and Jose Canseco are today's most accomplished sluggers, but neither has hit 50 or more home runs in one season. FTP, name the last man to accomplish this feat, a man who played a vital role in the offense of the Big Red Machine.

George Foster

T16. The English alphabet contains 26 letters and the Greek 24, but how many letters are there in the Cyrillic alphabet?

33

T17. Napoleon invaded Russia in 1812, while under Hitler, the Germans invaded the Soviet Union in 1941. Ironically, both of these failed campaigns began on the same date, which falls just after the summer solstice. FTP, what was it?

June 22

T18. This famous French novel deals with the shattered dreams and severe depression suffered by its heroine, Emma. A sentimental, discontented, and limited person, she commits adultery, piles up debts, and finally commits suicide. Name this 19th century novel penned by Gustave Flaubert.

Madame Bovary ✓

T19. While the crowd was stoning this early Christian martyr, Paul did his part in the stoning by watching over the cloaks of the mob. Name this saint whom Paul helped to kill.

Saint Stephen ✓

T20. During World War II, the United States was trying to find the right element to use in the atomic bomb. They eventually succeeded by creating a graphite bomb. FTP, what sort of bomb were the Germans working on?

Heavy Water bomb ✓

T21. Only the New York Yankees have won more World Series than this club; FTP, name it.

St. Louis Cardinals

T22. One has 10 characters per inch, while the other features 12 per inch. FTP, name these two type settings on a typewriter.

Pica and Elite
