c) He invented the valve-and-siphon arrangement which made the modern flush toilet possible.

Thomas CRAPPER

19. (50 points-That's not a misprint) The bad news is there's no consultation on this bonus. The good news is you could get up to 50 points for this bonus on every College Bowler's favorite subject: African Capitals.

MIT
Here's how it works: The Moderator will ask each player, beginning with the one on the nearest buzzer, to name an African country and its capital. A correct answer is worth one point. The bonus continues until somebody does not give a correct answer or repeats a previous answer. For countries with multiple capitals, each country counts only once. This includes islands off the African continent as well as countries on it. (host note: be nice when it comes to pronunciation.)

ANSWERS:

Algeria - Algiers
Angola - Luanda
Benin - Porto-Novo
Botswana - Gaborone
Burkina Faso - Ouagadougou
