T3
Pile drivers, leg drops, full Nelsons, and figure-four leg locks. If you're familiar with these terms, you'll know the answer to this question. For 10 points, name the wrestler who held the WWF (World Wrestling Federation) Heavyweight Championship belt for longer than any other wrestler.

A: Bob Backland

B2
"Look out Doctor, here come the Daleks". If this phrase means anything to you, you're probably a fan of the world's longest-running science fiction television show, "Doctor Who". For five points each, with a possibility of 25 points total, name 5 of the 8 actors who have played the role of the Doctor on the television program "Doctor Who". For 5 extra points, (2) name the infamous date (month and day) that the show premiered on in 1963.

A: 1) William Hartnell Peter Davison
 Patrick Troughton Colin Baker
 Jon Pertwee Sylvester McCoy
 Tom Baker Richard Hundrill

- 2) It premiered on Nov. 22, 1963, (the day Kennedy was killed).

~~T4~~
It's being used by the California Highway Patrol (CHP) and the South Carolina Law Enforcement Division (SLED) in their Glock brand handguns. The DEA and other government agencies are considering adopting it as their regulation round. For 10 points, name this type of ammunition that debuted in 1990 and is currently the "hottest" load on the market.

A: .40 S&W (Forty Caliber Smith and Wesson)

~~B3~~
Quick! It's 1066 and Edward the Confessor has just died, leaving Anglo-Saxon Britain with no king. You know that William the Conqueror eventually takes over after his victory at the Battle of Hastings, but do you know who else vied for the throne? For 20 points (10 points a piece), name the two major players besides William who tried to claim the throne as their own.

A: 1) Harold Godwinson or Harold II
2) Harold Hardrada
(Acceptable answer: Tostig)

~~B4~~
A question for all you military hardware freaks. One of America's greatest military strengths has been its missile systems. For 5 points a piece, with a possibility of 20 points, give the full names that these missile acronyms stand for: (1) SRAM, (2) ALCM, (3) SLCM, (4) GLCM.

A: 1) SRAM: short-range attack missile
2) ALCM: air-launched cruise missile
3) SLCM: sea-launched cruise missile
4) GLCM: ground-launched cruise missile

~~B5~~
Take me out to the ballgame, take me out to the crowd. For you fans of the green diamond, this is a chance to catch a total of 30 points. For 10 points, name (1) the last major-leaguer to hit .400 or above. For another 10, name (2) the person who has come closest to hitting .400 since then. Also, for an additional 5 points a piece, name (3) the year he accomplished this feat and (4) his batting average that year.

A: 1) Ted Williams (1941)
2) George Brett
3) 1980
4) .390

~~F5~~
When For a quick 10 points, let's talk organic chemistry. ~~When~~ reacting a primary alcohol with pcc, what carbon form do you form?

A: An aldehyde

16 For a quick 10 points, how many hydrogens are there in the structure of naphthalene?

A: 8

B6 Let's talk immunoglobins. For a total of 25 points, all or none, correctly arrange these immunoglobins in decreasing order from highest to lowest mean serum concentration in human beings. IgA, IgD, IgE, IgG, and IgM.

A: IgG, IgM, IgA, IgD, IgE.

17 Take a quick look at the sky. It's a bird, it's a plane, NO-it's the farthest planet from the sun right now. For 10 points, name it.

A: Neptune

18 For 10 quick points, in which philosophical dissertation did Aristotle espouse his theory that friendship should be based on the virtue of the other person.

A: Nicomachean Ethics

B7 During President Bush's recent trip to Asia, he met with the current (as of February 5, 1992) Prime Minister of Japan. Why is the phrase above contained in parentheses? Because the Japanese have changed prime ministers three times in the past three years. a) England b) St. George
- 2) The white cross
a) Scotland b) St. Andrew
- 3) The thinner, diagonal red cross
a) Ireland b) St. Patrick

THO
The popularity of college baseball has grown tremendously in recent years. For 10 points, name the college that has won more Division 1 baseball titles than any other school.

A: University of Southern California [USC]

TH
This document, signed in 1122, settled the investiture controversy when Emperor Henry V formally renounced his power to invest bishops with ring and staff and Pope Calixtus II recognized the emperor's right to be present and to invest bishops with fiefs before or after their investment with ring and staff by the church. For 10 points, name it.

A: The Concordat of Worms

B-10
Extra! Extra! Read all about it! Rome falls! If you're up on your ancient news, you'll get 5 points a piece (for a total of 30) for placing these events in the correct chronological order: Pompey defeats Sertorius in Spain, Crassus killed in Battle of Carrhae, Formation of Second Triumvirate, Caesar in Gaul, Tribune of Gaius Gracchus, and Sulla's march on Rome.

- A: 1) Tribunate of Gaius Gracchus ✓
2) Sulla's march on Rome ✓
3) Pompey defeats Sertorius in Spain ✓
4) Caesar in Gaul
5) Crassus killed in Battle of Carrhae
6) Formation of Second Triumvirate ✓

TH
It was originally written for and performed by a grade school class in England in 1968. Later it was adapted for a larger stage production and went on to become a hit. It's the older "brother" of "Cats", "Evita", and "The Phantom of the Opera". For 10 points, name this biblical musical that tells the story of a boy and his favorite outer garment.

A: "Joseph and the Amazing Technicolor Dreamcoat"

T/13 For 10 points, what was the name of the woman in Plato's "Symposium" who lectured to Socrates on the nature of love.

A: Diotima

T/14 If you know your mythology, you'll earn a quick ten points. What was the name of the legendary queen of Carthage in Virgil's epic, "The Aeneid"?

A: Queen Dido

T/15 Hobbits and Wizards! Elves and Trolls! You fans of Middle Earth perk up your ears. In "The Silmarillion" what was Beren's nickname for Luthien, daughter of Melian? Answer this correctly and you'll receive 10 points.

A: Tinuviel

T/16 Score a touchdown and kick a field goal. That's the hard way to get 10 points. For an easy ten, just tell me which NFL head coach has coached in more Super Bowls than any other.

A: Don Shula (6)

T/17 I was a superior athlete when I competed. In fact, sportscaster Howard Cosell has called me the greatest athlete of the 20th century. I passed away a few years ago, but in my heyday in 1973 I won the Preakness, the Belmont Stakes, and the Kentucky Derby, making me the last to win the triple crown to this day. I was definitely a horse of a different color although on the outside I appeared to be a normal brown and black thoroughbred. For 10 points, who am I.

A: Secretariat

T/18 On one night in November 1938, German persecution of the Jews took on a more forceful face when the government smashed Jewish shop windows, and looted and burned Jewish homes and Synagogues. FTP (the acronym for "for ten points"), what is the name of this event, which in German means "night of glass".

A: Kristalnacht (Ask for more information if 'Crystal Night' is given)

T/19 He lived from 1743 to 1803. He led the fight to drive the French from Haiti by leading a group of black revolutionaries against the government. He was eventually captured in 1802 but his followers fought on and this resistance helped the United States purchase the Louisiana Territory from France. For 10 points, name him.

A: Toussaint L'Ouverture

B11 Here's your developmental Biology question for today. For 20 points, all or none, simply give the name of the 3 basic embryologic tissues common to all animals.

A: Mesoderm
Endoderm
Ectoderm

P. 20 The effects of the drug Ibogaine include visions, changes in perception of the environment, delusions, and drowsiness. FTP, name the West African shrub that this drug is derived from.

A: Tabernanthe Iboga

B12 A well rounded individual would know the answer the answer to this question. FTP name 1) the man known the world over as the "father of blue grass music", and 2) the name of his band.

A. 1) Bill Monroe
2) (Bill Monroe) and his Bluegrass Boys

+ 21 For a quick 10 points, name the 19th century agricultural writer who wrote Facts for Farmers as well as the novels The Will, The Last of the Buffaloes, and Me-won-i-toc.

A: Solon Robinson

B13 For 30, 20, or 10 points, name me based on these things that I said:

1) "There are five methods of attacking with fire. The first is to burn personnel; the second, to burn stores; the third, to burn equipment; the fourth, to burn arsenals; the fifth, to use incendiary missiles".

2) "Fight downhill; do not ascend to attack".

3) "Know the enemy and know yourself; in a hundred battles you will never be in peril. When you are ignorant of the enemy but know yourself, your chances of winning and losing are equal. If ignorant of the enemy and of yourself, you are certain in every battle to be in peril".

A: Sun Tzu

B14 And the Oscar goes to... This Spring, Anthony Hopkins stands a good chance of winning a best actor oscar for his role as Hannibal "the Cannibal" Lector in the hit film "The Silence of the Lambs". This would be a rare occurence since there haven't been many actors who have won statues for roles in "horror" films. The first came a long time ago in 1931-32 when this actor won for his lead role in a genuine "horror" film. This year was also different because it marked the first time 2 actors had tied for the award. First, for 20 points, name (1) this "horror" actor and the movie he won his

oscar for, and for an additional 10 points, name (2) the actor who shared the best actor trophy with him that year and the movie he won it for.

- A: 1) Fredric March: "Dr. Jekyll and Mr. Hyde"
2) Wallace Beery: "The Champ"

T22 He's the first president of England's Royal Academy of Arts. He also painted "Lady Elizabeth Delmi and Her Children". For 10 points, who is he?

A: Sir Joshua Reynolds

B15 Here's an EASY bonus. You all know who Andrew LLOYD Webber is, now all you have to do is prove that you have some concept of time relating to his works. For 25 points, all or none, simply place these musicals in the correct chronilological order as to when they premiered: "Cats", "Phantom of the Opera", "Starlight Express", "Evita", "Aspects of Love", and "Jesus Christ Superstar".

- A: 1) Jesus Christ Superstar 4) Starlight Express
2) Evita 5) Phantom of the Opera
3) Cats 6) Aspects of Love

B16 Greek Mythology Bonus! Identify this character for 30 points after one clue, 20 after two, or 10 after three.

- 1) She had her daughter Persephone taken from her by Hades in a fit of love to his kingdom to be his queen.
- 2) She was able to get Persephone back for only 6 months out of the year because she had eaten 6 pomegranate seeds while in captivity, and was required to remain in Hades one month for every seed she ate.
- 3) She was the mother of the Earth, and myth says that the reason we have Winter for half the year is because she is mourning for daughter who is a prisoner in Hades.

A: Demeter

T23 The Berlin Wall is now history. For a quick ten points, who was the last person killed going over the Berlin Wall.

A. Chris Gueffroy

B17 When is the last time that you flew the friendly skies? For 10 points each and an additional 5 points if you can name them all correctly (a possible total of 35 points), give the name of the city where each of the following airports is located:

- (1) Orly International
A: Paris
- (2) Hopkins International
A: Cleveland, Ohio
- (3) Hartsfield International
A: Atlanta, Georgia

~~B18~~ As of the end of 1991, there were four television news networks. For a twenty point bonus, all or none, name and rank these networks in decreasing order based on audience share points for the year 1991.

- A: 1) CNN
2) CBS
3) ABC
4) NBC

T24 Watch out or you're gonna get wet! Excluding the Great Lakes, for a quick 10 points, name the largest freshwater lake solely in the United States.

A: Lake Iliamna (Alaska)

B18 Nicknames are fun. For 5 points a piece, for a total of 30, give the state that goes with the nickname.

- 1) The Camellia state
- 2) The diamond state
- 3) The gem state
- 4) Old colony
- 5) The coyote state
- 6) Free state

- A: 1) Alabama 4) Massachusetts
2) Delaware 5) South Dakota
3) Idaho 6) Maryland

T25 Russian civ majors listen up. You'll get 10 points for a correct answer on this question. Who was the first president of the U.S.S.R.?

A: Yakov Sverdlov

B19 Test your knowledge of American 19th century treaties or pacts. For 5 points a piece, with a possibility of 20, identify the treaty or pact:

- 1) This executive agreement between the U.S. and British demilitarized the Great Lakes.
- 2) In this agreement, Spain gave up Florida and its rights to the Pacific coast in return for the U.S. dropping certain claims to Texas.
- 3) This agreement gave the U.S. most-favored nation status in trade with China.
- 4) This agreement gave Americans its 1st formal right to build an isthmian canal in Central America in 1850.

(Dates not necessary)

- A: 1) Rush-Bagot Pact (of 1817)
2) Transcontinental Treaty (of 1821)
3) Treaty of Wangxia
4) Clayton-Bulwer Treaty

B20

This Russian has been in the news a lot recently. For 20 points, all or nothing, (1) who is Sergei Kukalev and (2) what is his "far-out" problem.

A: (1) He's a Soviet Cosmonaut

(2) He's stranded in the Mir space station in orbit around the Earth. ("Stranded in space" is acceptable.)

The standard violin and viola each have four strings. In fact, they share three strings in common. For 10 points (and you must answer both correctly in order to get credit) name (1) the string that is on the violin but not on the viola and (2) the string that is on the viola but not on the standard four-stringed violin.

A: 1) E
2) C

T26

Vive la France! For 10 points, name the current French territorial possession in North America that is the last remnant of their North American holdings.

A: St. Pierre Islands (Miquelon and St. Pierre)

B21

The Fourth Circuit Court of Appeals recently struck down an African-American only scholarship. For 10 points each (a total of 30 points if you name them all), name (1) the plaintiff, (2) the defendant, and (3) the scholarship that was disallowed.

A: 1) Dennis Rodberesky

2) the University of Maryland

3) the Benjamin Banneker Scholarship

B

All you C.S. Lewis fans out there already know that he converted to Christianity from atheism and that arguably his most well-known books are the Chronicles of Narnia, written for children. You probably know that "The Lion, the Witch, and the Wardrobe" is the first book in the series, but do you know the rest? For 5 points a piece, for a possible total of 30 points, name the other 6 books that make up this entertaining series.

A: The Silver Chair.

Prince Caspian

The Horse and His Boy.

The Magician's Nephew

The Voyage of the Dawn Treader. The Last Battle

T27

Stu Redman, Harold Lauder, Frannie Goldsmith, Larry Underwood, Randall Flagg (the dark man), and Mother Abigail. These are all characters in a 1978 book about a plague that accidentally is released from a Army lab and kills 99.4% of the U.S. population. During the course of the story the characters have the same dreams that motivate them to coalesce in Boulder, CO and Las Vegas, NV. For 10 points, name this Stephen King novel, considered by his fans to be

his best, that he re-released in 1990 in an expanded format with over 500 extra pages that were deleted from the original text.

A: The Stand

B22 Gisele is a rather "saintly" name, don't you agree? For 10 points each (and a grand total of 30), name (1) the saint who was married to Blessed Gisele, (2) the son (also a saint) of Blessed Gisele, and (3) the saint day of Blessed Gisele.

A: 1) St. Stephen of Hungary [MUST INCLUDE HUNGARY]

2) St. Emeric

3) May 7

B23 Let's take a peek in the medicine cabinet. For 5 points apiece (and a possible total of 30), name (a) what diseases or infections the following drugs are famous for combatting and (b) the pharmaceutical company that makes each.

(1) Retrovir

A: a) AIDS b) Burroughs-Wellcome

(2) Videx

A: a) AIDS b) Bristol-Myers Squibb

(3) Zovirax

A: a) Herpes b) Burroughs-Wellcome

The European Free Trade Association was founded by Great Britain in 1960. Over the years, some members have come and gone. For 5 points apiece, name the seven nations that now comprise the EFTA.

A: 1) Norway 2) Finland 3) Sweden 4) Iceland
5) Austria 6) Switzerland 7) Liechtenstein

T28 Everyone should know that Brian Mulroney is the Prime Minister of Canada. But (for 10 points) can you tell me the name of the current Governor General of Canada?

A: Jeanne Sauve

T29 He was the first chief minister in the House of Commons. For a quick 10 points, name him.

A: Sir Robert Walpole
