

1993 PRINCETON INVITATIONAL

Swarthmore Yang

Toss-ups

T1. Transvestites, fellatio, prostitution, homosexuality, drug abuse, and soul food. Topics covered on Geraldo last week? Maybe, but they also are topics in a song which, not surprisingly, once had trouble getting played on most radio stations. FTP, name this Lou Reed song whose characters include Jackie, Candy, Little Joe, and Holly from Miami, F-L-A.

WALK ON THE WILD SIDE

T2. Carl Sagan, William Safire, Alan Greenspan, and George Plimpton were all born in what Northeastern city, also the birthplace of Studs Terkel, Estee Lauder, Stephen Jay Gould, and Jonas Salk. FTP, name this city.

NEW YORK City

T3. Lounge Act, Drain You, Breed, On a Plain, Stay Away, Polly, Something in the Way, and In Bloom are all tracks from, FTP, what Nirvana album.

NEVERMIND

T4. This pop artist is currently being featured in a retrospective at the Guggenheim. He used commercial art techniques, including Benday dots, in his work. He is best known for his comic strip illustrations. FTP, name this artist whose surname sounds much like a small European country.

Roy LICHTENSTEIN

T5. The name is the same ... sort of. Excluding accent marks, the name of a food and a group of Guatemalans are spelled the same way. FTP, name the largest Guatemalan Indian group or an egg dish which "real men don't eat."

QUICHE or QUICHE' (the apostrophe is an accent; the word is pronounced kee-chay)

T6. FQTP, actress Jo Van Fleet, actress Jane Darwell, and director John Ford all won Academy Awards for their work in film adaptations of novels by this American author.

John STEINBECK

T7. This man served as chancellor to the British king. However, he differed with the monarch in his dedication to the principles of the Catholic Church, and eventually fell out of favor with Henry. He was killed for this and was later canonized to become Saint Thomas. FTP, name this martyr who served as Archbishop of Canterbury from 1162 to 1170, when he was killed by knights of Henry II.

Saint Thomas a BECKET

T8. His novels include "Mongoose, R.I.P." and "Saving the Queen," but you probably know him for other endeavors. FQTP, name this "Firing Line" figure who founded the National Review in 1955.

William F. BUCKLEY

T9. She is wearing a short yellow dress, white stockings, and yellow shoes. She has short blonde hair and a smile on her downturned face. Her right hand is holding a large open umbrella which she is using to shield herself from a downpour. The umbrella has a yellow handle and is resting on her right shoulder. FTP, what product is she carrying under her left arm?
Morton SALT (accept Morton/ Morn salt girl on early buzz-ins)

T10. This family has produced national leaders since 1297, except for a few years during the latter part of the 18th century. Its rulers held absolute power until a 1911 constitution. FTP, name this family whose members include Stephanie, Albert, Caroline, and Rainier.

GRIMALDI

T11. He won the Ross Trophy for leading scorer in the NHL in 1964, 1965, 1967, and 1968. FTP, name this former Chicago Black Hawk whose doughnut shop you may remember from the film "Wayne's World."

Stan MIKITA

T12. This religious group was founded by Charles Russell in 1872. Its central doctrine is that the Second Coming is at hand and its members avoid participation in secular government. FTP, name this group known to travel door-to-door to share their faith.

JEHOVAH'S WITNESSES

T13. A theory of investment in economics, a movie about a vengeful Central American god, a particular kind of fever accompanied by listlessness and muscle aches, an Ian Fleming arms master, and Jean-Luc Picard's annoyance. FTP, what is the 17th letter of the alphabet?

Q

T14. This religion is headquartered in Haifa, Israel, but its major center of worship in America is in Wilmette, Illinois. Founded in Iran in 1844, it claims about 5 million adherents worldwide and it holds that all religions are essentially compatible, each having expressed in some way the will of God. FTP, name this faith, established by Baha'Ullah.

BAHA'I or BAHAIISM

T15. He favored a hendecasyllabic meter, although he employed many others. His 116 surviving poems are known by numbers rather than names, and many were for a long time considered unfit for translation into English. His verses angered many of his contemporaries, including Julius Caesar, whose friend Mamurra was a frequent object of the poet's ridicule. FTP, name the Roman poet who fell head over heels for Lesbia.

Gaius Valerius CATULLUS

T16. He was born in Brazil, but this anthropologist has lived much of his life

in the United States."Journey to Ixtlan" is one of his accounts of the wisdom and culture of the Yaqui Indians, FTP, name this cult figure who wrote "The Teachings of Don Juan."

Carlos CASTANEDA

T17. Among the finest contemporary guitarists are Jeff Beck, Jimmy Page, and Eric Clapton. These three were once in the same group. FTP, name this 1960s group whose reincarnation came to be Led Zeppelins.

The YARDBIRDS

T18. The title character arrives in a swan-drawn boat, saves Elsa's life, and marries her. She promises not to learn his true identity, breaks her promise, and they part. FTP, this is a nutshell synopsis of which Wagner opera, the source of the traditionally used wedding march?

LOHENGRIN

T19. You probably know that Polonius said that "Brevity is the soul of wit," but FTP who said "Brevity is the soul of lingerie"?
Dorothy PARKER

T20. By 1834, he noticed that Sirius and Procyon shifted position very slightly from year to year in a manner seemingly unrelated to the motion of the earth. He supposed that each was orbiting something. FTP, name this astronomer, later to be the first to measure the parallax of a star.

Friedrich Wilhelm BESSEL

T21. This college was the site of Stephen Jay Gould's undergraduate education, but you probably have learned the most about this Ohio school quite recently. FTP, name this school whose sexual assault policy, requiring verbal permission at each stage, has brought it national attention.

ANTIOCH College

T22. Among his so-called works of art are the wrapping of a bridge, the draping of an island, and the curtaining of a valley. FTP, name this Bulgarian-born sculptor who gained his most fame after the accidents involving the umbrella he had placed on opposite sides of the Atlantic Ocean.

CHRISTO

T23. "I shall argue that the postulates of the classical theory are applicable to a special case only and not to the general case, the situation which it assumes being a limiting point of the possible positions of equilibrium. Moreover, the characteristics of the case assumed by classical theory happen not to be those of the economic society in which we actually live." FTP, what man wrote these words?

John Maynard KEYNES [Chapter I of The General Theory]

T24. An Australian advertising agent dies, encounters the afterworld, and returns

to life only to convince himself that he is actually in hell. FQTP, name this book by novelist Peter Carey, later made into a movie by New World Pictures.

BLISS

T25. Vegetarians in developed countries usually don't have a problem getting enough essential amino acids in their diet. Severe difficulties arise, however, in underdeveloped nations where the populations relies almost exclusively on a single crop like rice or corn. FTP, give the Ghanaian word that describes a widespread protein-deficiency disease whose symptoms include anemia, edema, and degeneration of the liver.

KWASHIORKOR

Bonuses

B1. (30 points) The NFL has recently agreed to admit a new franchise. Answer the following questions relating to the expansion team.

The new team will share its mascot with a team that played in the defunct USFL.

For five points each, name the new expansion team and the USFL team.

CAROLINA PANTHERS - MICHIGAN PANTHERS

For another ten points, in what year did the NFL last admit an expansion team?

1976

For a final ten points, when the Panthers and the other expansion team, yet to be announced, come into the league in 1995, how many teams will there be?

29

B2. (30 points)

Blessed are those who remember the Beatitudes, for they will score points. I'll tell you why a certain group is blessed, and you tell me who they are. Ten points apiece.

"They shall be called sons of God." PEACEMAKERS

"They shall be comforted." MOURNERS

"They shall see God." THE PURE IN HEART

(Accept reasonable equivalents.)

B3. (25 points)

If I said Louis XIV, you'd say France. If I said Bismarck, you'd say Germany.

Stop being so damned Eurocentric. For five points each, name an American Indian tribe given the leader.

Tecumseh SHAWNEE

Geronimo APACHE

Crazy Horse Oglala SIOUX

Pontiac OTTAWA

Chief Joseph NEZ PERCE

B4. (30 points)

A bonus about Nobel Prizes? Deal with it; it's not like you've never had one before. I'll give the year and a quotation from the laureate's citation, you name the laureate. Ten points each, and I won't tell you the field.

1983. "for her discovery of mobile genetic elements."

Barbara MCCLINTOCK

1967. "for contributions to the theory of nuclear reactions, especially his discoveries concerning energy production in stars."

Hans BETHE (BAY-ta)

1953. "for his mastery of historical and biographical description as well as for brilliant oratory in defending exalted human ideals."

Winston CHURCHILL

B5. (30 points)

Adenine, guanine, thymine, cytosine, and uracil. The letters of the genetic code. FTP, what term applies to these five compounds?

Nitrogenous BASE

Now, for ten more points what do you call base when complexed to a ribofinrose ring?

NUCLEOTIDE

For a final ten points, what do you call a nucleotide complexed with a phosphate group, as in DNA?

NUCLEOSIDE

B6. (30 points)

Time for a game of "You shouldn't have eaten that!" You'll get five points for naming the first disease, ten for the second, and fifteen for the third.

(5 points) You shouldn't have eaten that undercooked pork. Now thousands of tiny nematodes are burrowing through your body. Talk about pain. Thanks heavens its usually not fatal.

TRICHINOSIS

(10 points) You shouldn't have eaten those raw human brains. Now you can't stop laughing, even though a horrible death is imminent.

KURU

(5 points) You shouldn't have eaten that year-old rye bread. Now you're burning up with fever and your limbs are falling off. It's hard to believe a saint had anything to do with this.

SAINT ANTHONY'S FIRE

B7. (30 points)

30-20-10 Identify the source of the following quotations

30: Indeed I tremble for my country when I reflect that God is just.

20: In matters of principle, stand like a rock; in matters of tast, swim with the current.

10: A little rebellion now and then is a good thing.

Thomas JEFFERSON

B8. (30 points)

Given a country, name its only Nobel Literature Prize winner. Five points each.

Nigeria: Wole SOYINKA

Yugoslavia: Ivo ANDRIC

Japan: Yasunari KAWABATA

Finland: Frans E. SILLANPAA

Guatemala: Miguel Angel ASTURIAS

Iceland: Halldor K. LAXNESS

B9. (25 points)

How much do you know about Vice Presidential losers? For each president I name, you name the Vice Presidential major party candidate who opposed him and lost.

For example, if I said Clinton you would say Quayle and if I said Bush you would say Bensen. You'll get 5 points for each that you can name.

Carter: Robert DOLE

Johnson: William MILLER

Kennedy: Henry Cabot LODGE

Truman: Earl WARREN

Harding: FRANKLIN D. ROOSEVELT

B10: (30 points)

30: Arthur; Jean; Lee; Nelson; Rachel; Ruth

20: Elko; Laughlin; Wells

10: Ely; Virginia City; Winnemucca

NEVADA

B13: (30 points)

Identify the following people, recently in the news, FTP each:

On October 25, this member of the Liberal Party was elected to be Canada's next Prime Minister.

Jean CHRETEIN

This U.S. Senator's diary is reported to contain damaging information about the personal lives of other lawmakers.

Bob PACKWOOD

Former chief of the East German secret police who was recently convicted for the murders of 2 police officers in 1931.

Erich MIELKE

B14: (30 points)

Identify these mathematician FTP each.

This 20th century logician is most famous for his Incompleteness Theorem.

Kurt GODEL

This Russian was the first to publish an account of non-Euclidean geometry.

Nikolai Ivanovich LOBACHEVSKY

She gave a firm axiomatic foundation to the theory of commutative rings, but could not find a paid position at Gottingen because of her sex, prompting David Hilbert to say, "I do not see that the sex of the candidate is an argument against her admission. After all, we are a university, not a bathing establishment."

Emmy NOETHER

B15: (30 points)

Sometimes musical groups wind up only being remembered for a single song. FTP each, I'll name a classic rock song and you tell me the group that is remembered

for it and little else.

Don't Fear the Reaper: BLUE OYSTER CULT

My Sharona: the KNACK

Radar Love: GOLDEN EARRING

B16: (20 points)

How well do you know the Book of Genesis? For five point each, tell me the day on which the following things are said to be created.

Land Animals: 6TH

Celestial Bodies: 4TH
