TOSSUPS

1. They were formed in China in 1727 and were called the Righteous and Harmonious Fists. However, they are better known, FTP, by what name that is also the name of a turn of the century rebellion in that country?

BOXERS

2. Like Hemingway, this prolific author served in the French Ambulance service during WWI. This experience gave him the material for his novel, "Three Soldiers". FTP name this author best known for his distinctive trilogy "U.S.A."

John DOS PASSOS

3. A statue of this man will be outside the new United Center in Chicago. No, this is not a statue of a famous Chicago mayor or even of some not so famous dead person. FTP, name the subject of this statue, a man who stars in the new videogame "Chaos in the Windy City," and who is now playing baseball in the Arizona Instructional League.

Michael JORDAN

4. This Englishman is considered one of the most influential men of the 17th Century due to his interest and talent in science and medicine, let alone politics and philosophy. FTP, name this man whose most important work may have been "Two Treatises of Government".

John LOCKE

5. The subject of a James Michener work, the Susquehanna, Patuxent, Potomac, Rappahannock, York, and James rivers all enter it. FTP, name this body of water which can be entered from the Atlantic through a 12 mile gap between Cape Henry and Cape Charles, VA.

CHESAPEAKE Bay

6. At the battle of Marathon, he was believed to have appeared in the sky to help the Athenians repel the invading Persians. Among his other exploits were the abduction of the Amazon queen Antiope and helping Pirithous to carry off Persephone. FTP name this father of Hippolytus, husband of Phaedra, and slayer of the Minotaur.

THESEUS

7. ^A wise beyond his years 12 year old boy is sent to live with his rather immature millionaire father. For the next six years, television audiences watched as younger and elder Stratton built a life around the working train in the living room. FTP, name this sitcom which was the first major starringrole for Ricky Schroeder.

SILVER SPOONS

8. Recently, the ACLU filed a brief in federal district court in Little Rock challenging Bill Clinton's claim that he should have immunity until he is out of office. The president is claiming this immunity as a result of, FTP, what woman's suit that claims the President made sexual advances toward her in a hotel room?

Paula JONES

9. He was trained as an engineer, but turned to art, and his creations represent a fusion of these fields. FTP name this American abstract sculptor known for his stabiles and mobiles.

Alexander CALDER

10. Chartered in America in 1910 by William D. Boyce, a Chicago publisher, this organization is similar to earlier American groups such as the "Woodcraft Indians" and "Sons of Daniel Boone". FTP, name this group founded in 1908 by Sir Robert Baden-Powell.

BOY SCOUTS

11. Some of the most savage moments in fighting history took place in a dramatic 1923 bout at New York's Polo Grounds. In this fight, the Argentine challenger Luis Firpo battered the champion through the ropes, before he recovered to win by a knockout. FTP, name the winning pugilist in this fight.

Jack DEMPSEY

12. He was born in Bonn on December 16, 1770 and became a court organist at the age of 12. As a composer, he was very successful, save a six year span after his seventh symphony in which he suffered through severe depression and the complete loss of his hearing. FTP, name this leading Romantic.

Ludwig van BEETHOVEN

13. These discussions were initially proposed by President Lyndon Johnson in 1964. Preliminary talks began in 1969 and were resumed in 1970. An agreement was finally signed by both nations in 1972. FTP, name these talks leading to a treaty by the same name that limited ABM Installations

to 200 and froze the number of offensive missile sites on land and sea.
SALT or STRATEGIC ARMS LIMITATION TALKS

14. This property is responsible for the formation of drops, bubbles and meniscuses, as well as capillary action. It varies in strength relative to the strength of intermolecular forces. FTP give the two word name for this property of a liquid that creates a "skin" on the liquid's surface.
SURFACE TENSION *cohesion*

15. This author's most famous work went unnoticed when it was first released in 1847. Anyone who read it was likely repulsed by the brutality and violence of the characters and the fact that it differed from the romantic novels of the day. Nonetheless, the novel is now a classic. FTP, name the author of the work that details the sordid lives of Catherine Earnshaw and Heathcliff.
EMILY BRONTE

16. This French physicist taught at the University of Paris and was elected to the French Academy in 1944. FTP, name this man who is perhaps best known for winning the 1929 Nobel Prize in Physics for his theory of the wavelike motion of electricity.
Louis DE BROGLIE

17. It is located near the mouth of the St. John's river. It is the largest city in area in the continental US. FTP, name this city, the largest by population in Florida.
JACKSONVILLE

18. When he met Paul Newman recently he said "You may not know my work but I have seen all of your movies." Well, it is highly doubtful that Mr. Newman has not heard of the work of this man who left Russia for a week because he was annoyed at not getting an audience with Queen Elizabeth II during her visit and did not want to be in the country during her stay. FTP, name this reform minded former Soviet leader.
Mikhail GORBACHEV

19. This planet has the 4th most moons. It is also the 4th largest planet and it has a storm on its surface that is dark gray, much like Jupiter's Great Red Spot. FTP, name this planet, currently the furthest from the sun.
NEPTUNE
