

## TERRIER TUSSLE V SEMIFINALS TOSSUPS

1 )

Next time you edit a playoff packet the day before the tournament, keep in mind that "work expands to fill the time available for its completion." FTP, name this law propounded by a 20th century British scholar.

Ans. C. Northcote PARKINSON'S LAW

2 )

This son of Omri was the seventh king of the Northern Kingdom. He reigned during the times of the prophet Elijah, and fought off the Assyrians. FTP name this husband of Jezebel, who shares his name with the Melville character who hunts Moby Dick.

A: AHAB

3 )

The founder of this town, settled in 1734 at the confluence of the Shenandoah and Potomac, established a grist mill on the former river, and a boat service across the latter. The site was selected by George Washington for a federal armory, and purchased in 1796. 63 years later, the arsenal was the target of a famous raid. FTP name this town associated with John Brown.

A: HARPER'S FERRY

4 )

2, 3, 5, 7, 11, 13, 17, 19, 23, and 29 are the first ten of, FAQTP what kind of number?

A: PRIMES

5 )

In 1989, national attention was given to major student protests at Howard University. Students demanded the resignation of the chairman of the Republican Party from the University's board of trustees, for his role in what they argued was a racist campaign. FTP name this man who died in 1991 of a tumor, but not before apologizing to Michael Dukakis for the negativity of the 1988 presidential race.

A: Lee ATWATER

6 )

He was a great king, whom the gods honored above all others. They even went to a banquet at his palace, but he played a nasty trick on them, having his son Pelops killed, boiled, and served to his divine guests. As punishment, he was condemned to stand in a pool in Hades where he suffered from terrible hunger and thirst, which he could never satisfy, despite the everpresence of food and water. FTP name him.

A: TANTALUS

7 )

One of these proposed the Connecticut Compromise at the Constitutional Convention. Another one was the Treasury Secretary who lent his name to the most famous piece of economic legislation of 1890. Yet another probably originated the saying "War is hell," as he demonstrated at Vicksburg and on his march through Georgia. FTP give the common surname of Roger, John, and William.

A: SHERMAN

8 )

Cirrhosis is a liver disease that kills about one in seventy Americans. FTP, spell "cirrhosis."

A: C I R R H O S I S

9 )

Against the "inane phraseology" of using such archaisms as "prithee," "oft" and

"ere" railed he, advocating instead poetry in the "language really used by men." His idea was later criticized by Samuel Taylor Coleridge, who thought this poet's best work violated his own prescription. FTP and anon, name this coauthor with Coleridge of "Lyrical Ballads."

A: William WORDSWORTH

10)

This imaginary entity with a three-word name passes through Australia, Mozambique, South Africa, Botswana, Namibia, Brazil, Paraguay, Argentina, and Chile. FTP name this line at about 23 degrees south latitude.

A: TROPIC OF CAPRICORN

11) He recently earned a piece of jewelry only 15 other people in an analogous position have earned. Some recently criticized him for allowing some of his more affluent charges to come to work in limos while others had to bus it, but he had the last laugh the day after Penn Bowl VI, when he became the second coach to win both a national college championship and a Super Bowl. FTP name this Cowboys head coach.

A: Barry SWITZER

12)

This nine-letter noun is the substantival form of two verbs very different in meaning. One of this noun's meanings is something taken away, or subtracted; another is a conclusion, or the process of reaching a conclusion, from premises. FTP name this noun, which you might take from your taxes, or contrast with induction.

A: DEDUCTION

13)

His recent book is set in 1969, and features a fictional exchange between Newt Gingrich, Dan Quayle, and Rush Limbaugh, who are platoon mates in Vietnam. None of those men served in Vietnam, but that's OK. It may be hard to read from "Rush Limbaugh is a Big Fat Idiot and Other Observations" without hearing the voice of Stuart Smalley. FTP name this Saturday Night Live cast member.

A: Al FRANKEN

14)

Though he was said to have had many mistresses, and he had one belatedly-acknowledged illegitimate daughter, he was married for 51 years to Danielle Gouze. In 1959 it was claimed, he staged a gun attack on himself for publicity. In his name was carried out the 1986 bombing of the "Rainbow Warrior," a Greenpeace ship. FTP name this deceased as of January 8th French president.

A: Francois MITTERAND

15)

The eponymous curve resulting from plotting percent of families horizontally and percent of total income vertically, and the eponymous set of equations in relativity physics that relate the space and time coordinates of two systems at constant relative velocity, have names sounding like that of the Nobel Prize-winning zoologist who wrote "On Aggression." FTP, give the common name.

A: LORENTZ or LORENZ (Curve, transformations, Konrad)

16)

This past fall, Manuel Santos Noya was cataloguing the collection of Bibles in Germany's Baden-Wuerttemberg State Library, when he came across a particular copy of the Vulgate bible. That copy was used in about 1521 by this man, when he translated the New Testament into German. FTP name this Bible owner, and thesis nailer.

A: Martin LUTHER

17)

In 1986, Ronald Reagan said of Libya's Moammar Khadafi, "He can run, but he can't hide." But in 1946, quoted remark was first made by this man, speaking of Billy Conn, prior to Conn's unsuccessful bid to unseat him from the world heavyweight championship. FTP name this Brown Bomber.

A: Joe LOUIS

18)
