

New Hampshire Anti-Primary : Williams Tossups

1. You probably don't recognize the name of Gerhard Kremer. He was a Flemish geographer who lived from 1512 to 1594, and he created a new kind of map in which the lines of latitude and longitude were perpendicular to each other. It does not bear his actual name, but the latinized form, with Kremer translated as "shopkeeper" or "merchant." FTP, name the map.

MERCATOR projection

2. A species moves into an area already populated by a very similar species. Over time, the two species evolve and gradually develop different traits, allowing them to coexist in the same habitat. This is, FTP, an example of what type of evolution?

CHARACTER DISPLACEMENT

3. Djibouti...the Congo...Belgium...Burundi...Chad...Switzerland...the Ivory Coast...Cameroon...Luxembourg...Rwanda.... FTP, all of these countries share what name for their major unit of currency?

FRANC

4. He was the first pope to have a pastoral rather than a diplomatic or scholarly background since Pius X, and also the first pope to choose a double name, in commemoration of his two immediate predecessors. Born Albino Luciani in 1912, he died of a heart attack in 1978. FTP, name his man, pope for 34 days.

JOHN PAUL I

5. Known as the "Flower City," its more famous residents have included Susan B. Anthony, Fredrick Douglass, Shirley Jackson, George Eastman, and John Wallace. FTP name this upstate New York city, home of the Eastman Kodak corporation.

ROCHESTER, New York

6. The ship of the Norwegian Daland is driven into a cove by a heavy storm. As the crew rest, a mysterious ship approaches them. The two captains meet, and the stranger gives Daland a crate of jewels for a night's stay in his home nearby. Upon learning that Daland has a young daughter, the stranger insists upon marrying her. They meet and love, but the stranger comes to believe she may be unloyal to him. To prove her loyalty and to release him from the curse he is under, she kills herself as he leaves. FTP, what opera by Richard Wagner is this a synopsis of?

THE FLYING DUTCHMAN

7. Parallel rays of light entering the telescope are reflected from a large concave mirror toward the focal point of that mirror, which is called the prime focus of the telescope. Before reaching the prime focus, the light rays are reflected again by a small convex mirror that brings them to a focus near a small hole in the centre of the main mirror. FTP, what is this kind of reflector?

The _CASSEGRAIN_ reflector

8. Much as Chaucer did with the English Midlands dialect, Boccaccio and Dante played a major part in determining which region's version of Italian would become the standard, national language. FTP, name their region, also the home

of Macchiavelli, the Medicis, DaVinci, and the cities of Pisa and Florence.
TUSCANY

9. Which golfer, recently engaged to Tawnya Dodd, stunned the golf world by coming back from an injury to win The Player's Championship. FTP name this golfer, nicknamed "Boom-Boom," who appeared in a Hootie and the Blowfish video.
Fred _COUPLES_

10. He made the first piece of American sculpture to be purchased for the Metropolitan Museum of Art in 1901, a bronze group called "The Mares of Diomedes." Later in his career, he executed a massive bust of President Lincoln from a six gon block of marble in the Capiton Rotunda at Washington, D. C. In 1916 he made additions to the Statue of Liberty, inserting 250 panes of amber glass in the torch. FTP, name this sculptor of Mount Rushmore.
John Gutzon de la Mothe _BORGLUM_

11. It has a chamber, unused since 1880, where unruly members of parliament are kept. If you add a penny, it gains two fifths of a second. The name by which it is known actually only refers to one 13.5 ton bell. Its hour hand is 9 feet long, and its minute hand 15 feet long. FTP, name this postcard and tee-shirt staple.
BIG BEN

12. This case was used as a precedent in the Roe v. Wade decision eight years later. The Supreme Court established the doctrine of a "zone of privacy" guaranteed by the Constitution at this time. FTP identify this groundbreaking 1965 case, in which the court struck down a state law prohibiting all instruction in the acquisition or use of contraceptives.
A: _Griswold_ v. Connecticut

13. This behavioral psychologist compared psychoanalysis to voodooism and theorized that patterns of behavior varied little from one series to the next. In 1920, his affair with a research assistant forced him out of academia. FTP name this psychologist who went on to apply the principle of conditioning to advertising
John _WATSON_

14. In 1932, he became prime minister and absolute ruler of his country. An admirer of Mussolini, he turned his country into a quasi-fascist "corporate state." FTP name this long-serving dictator who ruled Portugal until incapacitated by a stroke in 1968.
Antonio de Olivera _SALAZAR_

15. FQTP, what eight-letter word starting with "D" is the technical name for the range of a musical instrument or voice?
DIAPASON

16. This actor got his first part on stage purely by accident, with no previous training or preparation. He moved easily from his surprisingly successful career on the stage to films, with roles in The Wall, Brazil, The Cotton Club, and Who Framed Roger Rabbit? FTP, name this actor, nominated for an academy award for his work in Mona Lisa.
Bob _HOSKINS_

17. This Congressman's career finally reached fruition with the last Congressional elections. Widely known for his honesty, this Representative does his own taxes and returns campaign contributions because he runs unopposed. FTP, name this Republican from Houston, Chairman of the House Ways and Means Committee.

Bill _ARCHER_

18. The names the same. One was King of France from 1316 to 1322 nicknamed "The Tall." A second was the grandson of Louis the XIV, a founder of the Bourbon dynasty in Spain. A third was a Macedonian king so strongly hated by the Romans for his actions in the Second Punic War that they started a war of revenge with him, which they won. For ten points, give the common name and number.

PHILIP V

19. This author is well known by historians both for his poor style and lack of talent and the racism which colors his writing. His books are viewed as the best examples of Radical Racism, which dominated the U.S. in the late 1800's. For ten points, name this author of The Clansman, which was adapted into the movie Birth of a Nation.

Thomas _DIXON_

The Chinese premier was a strong instigator of China's actions, for ten points, name him.

Li _PENG_

Finally, what nation has come out strongly supporting a place in the UN for Taiwan, including a 70% approval of the idea in a recent poll.

CANADA

14. (30/20/10) Identify the artist given the work titles.

30. Summertime and Full Fathom Five

20. White Light and Scent

10. Lavender Mist and Number Ten, 1949

Jackson _POLLOCK_

15. (30) Name the following players in the budget standoff between congress and president Clinton, ten points each and a possible total of 30:
The chairman of the House Budget committee

John _KASICH_

The chairman of the Senate Finance Committee

Pete _DOMENICI_

The Secretary of the Treasury who has raided the Social Security Trust Fund in order to avoid a government shutdown

Robert _RUBIN_

16. (25) William Holden was one of the great screen actors of all time, and yet he is sadly forgotten now, only fifteen years since he passed away. To remind you of his greatness, identify these William Holden films for five points each.

In this film he plays a POW in an American camp, trying to convince his fellow prisoners he is not a Nazi spy. Peter Graves and Otto Preminger co-star in this Billy Wilder film.

In another Wilder film, he plays a Hollywood screenwriter turned gigolo. He narrates this film from beyond the grave, having been killed by his employer/lover, a silent film star trying to make a come back.

In this movie, opposite Audrey Hepburn and Humphry Bogart, he plays a carefree lover who finds maturity in the end, but not before sitting on some broken glass.

He plays an American in a British POW camp, captured by the Japanese. After escaping, he leads a commando team back to the camp, leading to an

existential, pyrotechnic massacre.

In one of his last roles, he plays a member of a group of outlaws, fighting a losing battle with the progress of civilization. He plays with Ernest Borgnine and was directed by Sam Peckinpah.

STALAG 17, _SUNSET BOULEVARD_, _SABRINA_, _THE BRIDGE ON THE RIVER KWAI_, _THE WILD BUNCH_

17. (30) The Heritage Foundation recently ranked 142 countries and territories on the basis of economic freedom. Answer the questions about the list for the stated number of points.

For 5 points, who came in first?

HONG KONG

For 5 points each, which three nations tied for last?

CUBA, _LAOS_, and _NORTH KOREA_

For 10 points if you get it within 2, 5 points if within 4, what was the rank of the United States?

7th (10 pts for 5-9, 5 for 3-11)

Ecclesiastes, Joel, Ruth, Nehemiah, Leviticus, Ezekiel

EZEKIEL (48), _LEVITICUS_ (27), _NEHEMIAH_ (13), _ECCLESIASTES_ (12), _RUTH_ (4), _JOEL_ (3)

Kian Bergstrom - 98ksb@williams.edu

I could not live if this were not illusion.
It is a world, perhaps; but there's another.
-from "The Labyrinth," by Edwin Muir

In attempting to name everything that enters my
field of vision, I am in essence defending myself
against the hostile, unintelligable world that
presses in on me from all sides.
-from _The Magic of Words_, by Andrey Bely

In memory of Krzysztof Kieslowski, 6.27.1941-3.13.1996
