

Weikle and Marta

## TOSSUPS

1. "This Old House" recently spent 2 1/2 months renovating an old-fashioned mansion in this city's historic district. On TV, Reese, Lane and Peyton live and debauch there. John Berendt wrote a best-selling non-fiction book about this city and its colorful residents. FTP, name this "good and evil" city in Georgia.

## SAVANNAH

2. Honkie, gook, and wetback are all ethnic slurs. FTP give the sociological term that names these words.

## ETHNOPHAULISMS

3. His theorem states that the flow of a liquid through an opening is proportional to the square root of the height of the liquid. He's better known for his other work in fluid mechanics, including his study of air pressure which led to the development of the barometer. FTP identify this Galileo protege who lived from 1608 to 1647.

## Evangelista TORRICELLI

4. Executive order 9066 created them. Minidoka, Poston, Tule Lake, Jerome, Heart Mountain, Gila River, Manzanar and Topaz were examples of, FTP, what?

## JAPANESE INTERNMENT CAMPS (or equivalent answers)

5. Moving Violations: War Zones, Wheel Chairs, and Declarations of Independence is, FTP, a memoir written by what paraplegic, former reporter for NPR.

## John HOCKENBERRY

6. Those fond of wordplay have referred to them as the "Ars Magna" or Great Art, partly because of the extreme cleverness required to construct them, but also because the phrase "Ars Magna" is a prime example of them. Monty Python used them in an alternative version of Shakespeare, featuring such titles as "Thamel" and such lines as "A shroe, a shroe, my dingkom for a shroe!" FTP, identify these rearrangements of letters.

## ANAGRAMS

7. This artist was born in 1746. Some of his most famous works include Family of

Charles IV\_, \_The Majas\_ (both clothed and nude), and \_The Third of May, 1808\_. FTP name this artist who had both a happy side illustrated in his tapestries and a sad side seen in the war protest paintings.

Francisco GOYA

8. This Frenchman headed the company that began to excavate a canal across the isthmus of Panama. His attempt failed and the rights to build the canal were sold to the USA. FTP name this man who started the Panama Canal and finished the Suez Canal.

Ferdinand DE LESSEPS

9. It was a bad year for the monarchists. King Francesco I of the Two Sicilies died, France's Charles X was deposed, and England's George IV died and was succeeded by his brother William. FTP, all this happened in what year, which also saw the Poles revolt against the Czar and the dissolution of the Kingdom of the Netherlands.

1830

10. The Johnstown Flood, the Brooklyn Bridge, the Panama Canal and Harry Truman are all subjects of histories written by, FTP, what author and nifty-voiced host of PBS' "American Experience"?

David McCULLOUGH

11. If you combined an atom of Bromine, an atom of Oxygen, two atoms of Carbon, another atom of Oxygen, and an atom of Lithium, you'd have a pretty exotic compound. You'd have a pretty commonplace vegetable if you just combined their chemical symbols, however. FTP, name this common food, notorious as one of George Bush's least favorite.

BROCCOLI

12. Sometimes truth is stranger than the magical realism that this author uses in his stories and novels, especially since a group of unknown gunmen have kidnaped the brother of former Colombian president Cesar Gaviria in hopes of forcing this Nobel Prize winning author to take over the presidency. Who is this man who wrote \_Autumn of the Patriarch\_ and \_Chronicle of a Death Foretold\_ before he declined the offer of the Colombian presidency?

Gabriel GARCIA MARQUEZ

13. Fifteen years ago she authored the most notorious journalistic hoax in modern history. This former Washington Post reporter created a bogus story about an 8-year-old heroin addict. FTP name this former writer who now works at a Michigan department store.

Janet COOKE

14. The protagonist of this work is a busybody obsessed with class distinctions who meddles in everyone else's life only to realize the shallowness of her ways. No, I'm not talking about Clueless, although that film was loosely based on, FTP, what 1816 Jane Austen novel?

EMMA

15. In spite of the fact that it is now home to neither a Major League Baseball team nor an NFL franchise, it is one of only two existing stadia to have hosted both a World Series and a Superbowl. It's also hosted two Olympic Games, most recently in 1984. FTP name this landmark venue, now home primarily ~~to the campus of the~~ University of Southern California football Trojans.

LOS ANGELES Memorial COLISEUM

16. It was a bad time for the Republic. The Aequi were constantly making incursions into Republican territory and had trapped a force sent to dislodge them at Mt. Algidus. Into harm's way rode a simple farmer, taken from plowing his fields to relieve the beleaguered force, defeat the Aequi, and resign his dictatorship, all within a fortnight. FTP, name this noble Roman.

L. Quincitius CINCINNATUS

17. Born in 1883 in Prague, he received a law degree in 1906. This gave him the financial support he needed to support his true vocation, writing. Tragically, he was stricken with tuberculosis in 1917, and died unpublished in 1924. Contrary to his wishes, his works were posthumously edited and published, establishing him as one of the giants of early 20th century literature. FTP name this man, author of Amerika and The Trial.

Franz KAFKA

18. She appears in works by Racine, Shakespeare, Twain, Voltaire, Schiller and Shaw. She is either skeptically or romantically presented as a mystic in most works, but there are those who regard her as a witch. FTP, name this 15th-century French heroine, martyred in a typically witchy fashion.

Ste. JOAN of ARC (or JEANNE d'ARC)

19. In the foreword to this unique dictionary, Roy Blount Jr. writes "It's one of the best things we can do WITH someone, one of the worst TO someone". The dictionary defines terms such as fuggy, forget you, and snafu. FTP, name this wonderful reference work, edited by Jesse Sneidlower.

\_THE F WORD\_

20. This aeronautical device was invented as early as 2500 BCE. Although it has been used in experiments, in religious rites, lifesaving, and even bomb delivery, it is now mainly a toy. FTP, name this type of flying machine which also describes a unique polygon, a type of bird, and the leading money-winner in PGA Tour history.

KITE

21. The last one occurred on October 24, 1995. The next one will occur on March 9, 1997. FTP, what is this natural occurrence, of which Carly Simon sings in "You're So Vain"?

Total ECLIPSE of the SUN

22. Its six naturally occurring isotopes, ranging in atomic weight from 162 to 168, are all non-radioactive, while the various synthetic forms all will tickle your Geiger Counter. Discovered in 1842, it's a shiny metal used in nuclear control rods and some magnetic alloys. FTP, what is this fun-to-say element with atomic number 68 and symbol Er?

ERBIUM

23. The two major divisions of this religious sect are known as Rinzai and Soto. The major influences in Japanese sociente that this sect introduced include the Tea Ceremony and No drama. FTP, name this sect in which enlightenment can be achieved through meditation and study of koans.

ZEN Buddhism

24. This year he's running for his first elected office. He already holds a noble title, sort of. Even if elected, as Secretary of State in North Carolina, he'll still be the "King" of Stock Car racing. FTP, identify this legend.

Richard PETTY

25. In his later work, this filmmaker became more subtle in his iconoclastic treatment of bourgeois society, although just about anything is more subtle than seeing a woman's eyeball cut with a razorblade in the opening moments of \_Un Chien Andalou\_. FTP, name this Spaniard, who also directed \_L'age D'or\_ and \_Belle de Jour\_.

Louis BUNUEL

26. Although not known as a military superpower, it has the world's fourth-largest armed forces, over 1.2 million strong. Of course, when your population is rapidly approaching one billion, you need to find something for all those people to do. FTP name this nation, independent since 1950.

INDIA

Weikle and Marta

BONI

(30) FTP each, given the pseudonym, name the author.

1. Anson MacDonald Robert A. HEINLEIN
2. James Herriot James A. WIGHT
3. Constant Reader Dorothy PARKER

(30) In this classic almanac question, for 5 points each, given the capital city, name the country.

1. Ljubljana (IUb-li-ana) SLOVENIA
2. Doha QATAR
3. Banjul The GAMBIA
4. Baku AZERBAIJAN
5. Victoria SEYCHELLES
6. Vilnius LITHUANIA

(25) These lines of doggerel are some of the most famous in American sport.

Ruthlessly pricking our gonfalon bubble

Making a giant hit into a double

Words that are heavy with nothing but trouble

(blank) to (blank) to (blank)

First, for 10 points, all or nothing, fill in the three blanks.

TINKER to EVERS to CHANCE

Now, for 15 more points, what the heck is a gonfalon?

A FLAG or PENNANT

(25) By coincidence, his feast day is today (unless you're a member of the Church of England, in which case it was Monday). In approximately 304 A.D., he was beheaded while trying to shelter a fugitive priest. The Roman city of Verulamium, where all this happened, now bears his name. For 25 points, name this first British martyr.

St. ALBAN

(30) FTP each, given the name of his famous horse, name the Confederate General.

1. Traveller Robert E. LEE
2. Little Sorrell Thomas J. "Stonewall" JACKSON
3. Fire-Eater \_A\_lbert \_S\_idney JOHNSTON  
(Prompt on Johnston)

(25) In their voyages, Lewis and Clark encountered many tribal nations. Among them were the Chinooks, Mandans, Nez Perce, Osage, and Teton Sioux. For 5 points each, place these nations in order from East to West.

OSAGE, TETON Sioux, MANDAN, NEZ PERCE, CHINOOK

(30) Ouch! Just got a paper cut, and, thankfully, my legions of white blood cells are already attacking the area. There are two main types of white blood cells. FTP each, name them

PHAGOCYTES and LYMPHOCYTES

Lymphocytes have, in turn, two major components. For 5 points each, name them.

T CELLS, B CELLS

(25) Put these 19th Century events in correct chronological order from earliest to latest, 5 points each: Charles Dickens publishes \_Pickwick Papers\_, Scottish explorer David Livingstone discovers Victoria Falls, Gladstone succeeds Disraeli as Prime Minister, Hawthorne writes \_The Scarlett Letter\_, the first patent is issued for the manufacture of chewing gum.

DICKENS (Pickwick Papers), HAWTHORNE (Scarlett Letter), LIVINGSTONE (Falls), GUM, GLADSTONE

(20) The trial is over and the books have begun. Identify these O.J. Simpson-trial-principals-cum-authors from their titles:

- (5) \_In Contempt\_ Christopher DARDEN
- (5) \_The Search for Justice\_ Robert SHAPIRO
- (10) \_Reasonable Doubts\_ Alan DERSHOWITZ

(30) OK, it's time for our token classical music bonus. Identify the composer from a list of works, 30-20-10.

(30) Christmas Eve (1895)

- (20) Scheherezade (1882)  
(10) Flight of the Bumblebee

Nikolai RIMSKY-KORSAKOV

(25) Not all states fall within one standard time zone. For 5 points each, tell whether each of the following states lies completely within one time zone.

Texas	NO
Oklahoma	YES
Wisconsin	YES
Idaho	NO
Arizona	YES

(25) Given the abbreviation for an international organization, tell what the acronym stands for, for the stated number of points:

- (5) ANZUS AUSTRIA, NEW ZEALAND,  
UNITED STATES Security Treaty  
(10) OAU ORGANIZATION of AFRICAN UNITY  
(10) CBSS COUNCIL of BALTIC SEA STATES

(25) How quickly we forget. While many of us would like to forget the presidency of George Bush, he keeps coming up in College Bowl questions. This one's about his electoral success or lack thereof. I'll name 5 states, and you tell me whether he carried them in the 1988 election, in 1992, both, or neither. 5 points each.

1. Kentucky 1988
2. Idaho BOTH
3. Connecticut 1988
4. Washington NEITHER
5. Oklahoma BOTH

(30) Given a brief description, identify the following former winners of Time's "Man of the Year" award.

- (5) Former Soviet Leader, 1989 Winner Mikhail GORBACHEV  
(5) "Prince of the Global Village", 1991 Ted TURNER  
(20) 4 men called the Peacemakers Yitzak RABIN, Yasser ARAFAT,  
F.W. DeKLERK, Nelson MANDELA

(25) Most people who are of the age to be playing in this tournament recognize the years from 1971 to 1986 as "The Golden Age of Popular Music". If you thought that was a reach, wait until you hear the rest of this question. Yes, what tournament would be complete without one of those stream of consciousness, string-the-titles together bonuses? Return with us now to the artists and titles of music's Golden Age. For example, if I asked you to combine the girl group who broke out with "Break Out" in the 80's with an early 70's America classic, you'd say "Swing Out Sister Golden Hair". 5 points per answer.

1. Combine the titles of the biggest hits by Kansas and Queen  
ANOTHER ONE BITES THE DUST IN THE WIND

2. An early 80's telephonic Stevie Wonder classic combined with one of Hot Chocolate's disco hits  
I JUST CALLED TO SAY I LOVE YOU SEXY THING

3. Mouth & MacNeal's introductory 1971 one hit wonder joined to one of those smarmy Captain and Tennile numbers  
HOW DO YOU DO THAT TO ME ONE MORE TIME

4. A Lionel Richie number you can count on combined with the song Patti LaBelle won't perform anymore  
THREE TIMES A LADY MARMELADE

5. One of Dr. Hook's greats combined with an early Paul Simon solo tune rounds out this strange and mournful question  
SYLVIA'S MOTHER AND CHILD REUNION

(25) This British-born Danish immunologist laid the theoretical foundation for the cellular basis of immunology. He shared the 1984 Nobel Prize for Physiology/Medicine with Cesar Milstein and Georges Kohler. For 25 points, name him.

Niels JERNE

(25) Spanish is spoken all over the world, but sometimes the vocabulary for common words varies widely depending on the locale. Given several different words in Spanish that all mean the same thing, give the English translation.

(5) el camion (ca-me-own), la guagua (gwa-gwa), el autobus (ow-toe-boos)  
BUS

(10) el cacahuete (ca-ca-hwa-tay), el mani (ma-knee)  
PEANUT

(10) el jugo de naranja (who-go day na-rawn-ha), el jugo de china (who-go day

chee-nah), el zumo de naranja (zoo-moe day na-rawn-ha)

ORANGE JUICE

(25) The 1995 Cleveland Indians were regarded by some as the 2nd best team NOT to win the World Series. The BEST team to achieve that lack of accomplishment was also the Cleveland Indians. Answer these questions about that club for 5 points each, 10 point bonus if all 3 answers are correct.

1. In what year did the Tribe set an American League record for wins?

1954

2. What club stunned them in the Fall Classic?

NEW YORK GIANTS

3. How many games did the 1954 Series last?

4 (a sweep)

(20) The images of Cervantes' great work Don Quixote are everywhere. Let's see how much you know about the story.

(5) What is the name of Don Quixote's trusty steed?

ROCINANTE

(5) What is the name of the damsel of Don Quixote's dreams?

DULCINEA

(10) What is Dulcinea's real name?

ALDONZA

(25) As someone once said, "College Bowl is played in English". However, many other languages are spoken in the United States. No, I'm not going to ask you to answer this question in Yiddish or Navajo (tho I'd be impressed if you did), but merely rank the following 5 languages in order from greatest to fewest speakers among U.S. residents. 5 points for each in the correct position. The languages: Greek, Dutch, Arabic, Tagalog, Russian

TAGALOG, GREEK, ARABIC, RUSSIAN, DUTCH

(30) 30-20-10 Name the playwright from his works.

(30) The Shadow of a Gunman (1923)

(20) The Plough and the Stars (1926)

(10) Juno and the Paycock (1924)

Sean O'CASEY

(30) For 10 points each, given a quotation from a notable philosopher, name that philosopher.

1. "Liberty consists in doing what one desires."

John Stuart MILL

2. "Suspicion is the companion of mean souls, and the bane of all good society."

Thomas PAINE

3. "Hold faithfulness and sincerity as first principles."

CONFUCIUS

(30) For fifteen points, all or nothing, name the order in which the four Gospels appear in the King James Version of the New Testament.

ANSWER : MATTHEW, MARK, LUKE, JOHN

For fifteen points, all or nothing, name the most commonly ascribed order in which biblical historians generally believe the gospels were written.

ANSWER : MARK, LUKE, MATTHEW, JOHN
